Short Answer Questions:

They can actually be short—please limit all responses to a maximum of four sentences.

1. Why are you interested in Crimson Key and what unique perspectives or experiences could you contribute to the organization?
2. What is your favorite piece of Harvard history and why?
3. Each year, CKS comes up with a slogan for Freshman Week. For the Class of 2007, our slogan was "007: From Cambridge, With Love." The slogan for the Class of 2015 was "CR1M5ON." Come up with an idea or two for a Freshman Week slogan to welcome the Class of 2020. Be creative!
(Disclaimer: The slogan you submit becomes the property of the Crimson Key Society. In more exciting words, we may actually end up using your design! Have fun!)
4. Crimson Key is dedicated to serving the Harvard community. If you could implement an initiative through Crimson Key to strengthen this community, what would it be and why?
5. Tell us one interesting fact about yourself. And make it fun!

If possible, please print double-sided.
