The Presidential Blog

The “Corvette Season” is now here and I know that many of you have taken your babies out of storage and have already been out on the roads. Hopefully PennDOT will do their job quickly and get the roads in drivable condition.

Be sure to check out the details of upcoming events in the Flying Fiberglass and on the website. Several members attended the detail clinic at Grabiak and also the Irwin Car Cruise, both on April 25th. These were followed by the annual trip to the Quaker Steak and Lube Vette Show on the 26th in Sharon, PA. A good time was had by all members who attended these events.

The signature event for May is the Spring Vettes Show at Day Chevrolet on May 17th. The 50/50 at the Day Show this year will benefit the Wounded Warriors Foundation. All donations are welcome and are appreciated and will go a long way in helping make this event a big success.

Also for the Spring Vettes Show remember that Joe Haver always needs volunteers to help with various activities throughout the day and keep the show running smoothly. Please let Joe know if you can lend a hand. We are also in need of snacks and goodies for the Hospitality table. When you come to the show please be sure to bring some type of snack or desert with you.

For those who would like to attend an NCRS event, they are having a judged show on May 2nd at B & D Creekside Activity Center in Latrobe.

June is right around the corner and that is when the outdoor meetings begin. Mick has the outdoor meetings, as well as the annual picnic in August, planned. Look for information in the newsletters and on the website.

To the members that are going on the June 10th Hendricks Museum trip make sure your membership is paid and that you give Bobbi Patrizio all the information she needs ASAP.

Utilizing the e-mail system is a fast and efficient method of communicating with the membership as well as receiving feedback. I have received many favorable responses and will continue to provide news and information relative to our club and Corvette related activities. As I have mentioned in the past, I appreciate the enthusiasm and support you have shown. Any suggestions you have and may want to offer on how we can continue to improve the club or our communications to the membership are always very welcome.

Feel free to contact me. E-mail: fpaolo@comcast.net or phone: 724-842-6001.

Illness & Condolences

If a Club member wishes to notify the Club of a death, illness, or accident in his/her (or fellow members) family please notify Connie Jelovich at 724-325-2571, CAJJELO4@comcast.net with the information. The information will be passed on to other Club members at the next general meeting if so desired.

Spring Day Show

Remember the Spring Day Show on Sunday, May 17. Joe Haver is always in need of volunteers to help on the day of the show, so be sure to mark your calendars and come join us.

Another thing to remember is the Hospitality table. Day provides the hot dogs and drinks but we need members brings snacks, side dishes and goodies. When planning what to bring, remember there are no kitchen facilities available so plan accordingly.

See you at the show!

2015 Lap

Planning is moving along 2015 Lap. The dates for the Lap are Aug. 26 through 30th.

The itinerary so far is to spend the first couple of days in the Poconos and then move down to the Lancaster area.

In the Poconos we are still working on the details for the track time and will provide updates as soon as they are available. The cost for the track is insurance that we are required to carry and possibly a cost for a safety car, depending on when we do the laps. Once we have that finalized then we will finish planning our time there.

We will leave the Poconos Friday morning and go onto Lancaster, arriving in time for lunch prior to the play we have purchased tickets for, "Joseph" at the Sight and Sound Theater. Lynn Full is handling this end of the trip and has some fun things lined up for us to do on Saturday.

The hotel information is below, and the registration form should be available shortly.

These trips are always a fun time and a great way to get to know other Club members, so think about joining us as we drive the roads of PA.

Contact Allen Young (ayoung1210@msn.com) with any questions or comments.

The next meeting is Tuesday, May 19, at the New Pasqualino's in Murrysville. Dinner @ 6 and meeting to follow.

Hendrick's Museum / Charlotte Trip

Hendrick's Museum/Speedway Trip

Charlotte, N. Carolina

June 10 - 14, 2015

CORVETTE CLUB of WESTERN PA

The current reservations for our trip to Charlotte, N. Carolina have reached our maximum of 35 cars. For those who have indicated interest the following is our intended itinerary. We will leave Pittsburgh Wednesday and travel down to Charlotte N. Carolina. Thursday morning we will spend some time doing laps at the Charlotte Motor Speedway followed by a buffet lunch on site. Then we will visit the museum of Rick Hendrick's private collection of several hundred of his Corvettes.

We'll travel Friday on through Ashville to cruise through the "Tail of the Dragon." We will continue on through the Great Smokey Mountains via Cherokee, Gatlinburg and then experiencing the winding roads like the "Snake" and the "Python" as we return home.

There is information available with the lodging locations and costs and it will be updated as confirmed. Contact Bobbi Patrizio to get that info. For now, show your commitment by sending in your donation fee of \$25 a **person** for the Museum tour. Our donations will benefit the Hendrick Marrow Program. The cost for doing laps on the Speedway track will be \$75 plus track fees and insurance of \$37 making a total of \$112 for those planning to do laps.

Please return the lower portion to register for the trip and to pay the fees mentioned for the museum and the track.

REGISTRATION for N. Carolina Trip, June 10-14, 2015

Make checks payable to CCWP for the museum entrance donation of \$25 for each person plus \$112 per car if you intend to take the track at the Speedway. Make checks out to CCWP and send to: CCWP Events Director, Bobbi Patrizio at CCWP, P. O. Box 46311, Monroeville, PA 15146 by May 1st. General Membership Meeting (Unapproved)

Monday, April 13, 2015

The meeting was held at Fortune Star Restaurant in Monroeville. President Frank Paolo called the meeting to order at 7:00 pm. Minutes from the March 2015 meeting were not available so they will be approved next month. Frank Paolo discussed up and coming events in detail.

Director's Reports**Membership— Allen Young**

There are 150 families and 255 members. Looking at ways to increase the membership. Got 6 new applications. May have 5 more when they sign up for Hendricks. Mark & Lavon Claycomb, Allen & Sandy Harkins, Carl Nagrosky, Thom Shepler, C.J. Tittererinton

Would like to remind everyone to please pay your dues for this year if you have not yet done so.

Vice-President / Insurance— Harry Brentzel

We are looking into the type of insurance we carry and if we need to get a better plan. Can we combine the CCWP and the liability insurance into one policy and get a better price.? Harry found a new policy that will cover everything so we only need one policy. The Board is going to contact an attorney to see if we need the liability on the board members. The policy being looked at is to cover both within one policy. Final details will be available once the investigation is complete.

Social— Mick Olasin

Anyone that signs up should be a member of a Corvette Club. We will create a sign up form and see how many want to go on the track. The cost for the track will be about \$125 per car. They will put about 20 cars per run. This will be from 9 to 11 and lunch at 11:30. The hotel information will be sent out with the registration form.
