## CALL FOR ARTISTS

---

"Upcycled Dreams" is an exhibition of artwork made primarily from recycled and upcycled materials. Upcycled Dreams will give new purpose and life to objects that typically would never be used again. Items such as coffee cups, broken electronics, unused textiles and many more will be upcycled into works of art that will be displayed. This exhibition will open the door for a positive community conversation about waste and how we, as a whole, can come together to address how we can address issues facing our environment caused by these excess waste items.

**AAWS members can work in teams or individually to create entries for this exhibition.**

## AAWS COMMUNITY ART DAYS

---

**Artists are not required to participate in the Community Art Days in order to enter.**

AAWS will facilitate sessions where artists and community members can meet to have a conversation about how to build these works of art and get a feel for how they want the exhibition to look. These Community Art Days will also be great times to make art and gather more materials to bring your ideas into reality.

**Community Art Day 1....December 11, 6 – 9 pm**

**Community Art Day 2....January 9, 9 am – 12 pm**

## COMMISSION

---

If artwork sells, the artist or the team of artists will receive 70% of the sales price and AAWS will retain 30%. North Carolina sales tax is added to the sales price.
