## SERVICE TO PROGRAM

### Stephen F. Austin State University: School Psychology Program

Psychological Assessment Workshop Developer	In order to supplement instruction of psychological assessment, students were immersed in a 3-day, 20-hour workshop of social/emotional/behavioral, cognitive, achievement and curriculum-based-assessment. This workshop was taught summer 2013 to address students' skill deficits in assessment and intervention principles before entering practicum and internships.
Internship Site Developer	Helped to organize structure and criteria for School Psychology Doctoral students at Stephen F. Austin State University to fulfill obligations for licensure as a psychologist in the state of Texas. This also included my submission of previous internship duties and what had to be completed to meet standards, Spring 2012-present.
Member	School Psychology Program Search Committee, Fall 2012-present.
Comprehensive Exams Organizer	Organized all faculty study guides and questions for doctoral students and comprehensive exams, Fall 2011-present.
