Six Steps to Planning Your Wedding

- 1. Read this booklet...** jot down questions as you read.
- 2. Contact the Church to inquire about a date...** you can call (608) 839-3770 or email the Administrative Assistant at info@abidingshepherd.org to check with the pastors to see if your date of choice is available.
- 3. Participation in pre-marital counseling...** we ask all couples to participate in premarital counseling. One of our pastors will coordinate the wedding planning and will help you schedule a pre-marital inventory. This inventory will serve as the basis for your pre-marital counseling.

Pre-marital counseling usually includes one or two sessions with the pastor who will preside at your ceremony. Part of the premarital work will include planning the specifics of your wedding service as well. (You are welcome to indicate a preference for the pastor who will preside at your wedding; however, please know that scheduling demands may supersede your requests.)
- 4. Planning for your wedding ceremony...** is an exciting part of your preparations! As you meet with one of our pastors to make plans, you are encouraged to bring ideas about ways to personalize your wedding. Of course, all aspects of your wedding need to be appropriate to a worship service and consistent with the Christian understanding of marriage. The pastor with whom you work will try to meet as many of your requests as possible, but please remember the first priority is to honor God with your wedding service.
 - **Suggested Scripture Readings** are on page 3.
 - See **Suggested Musical Selections** on page 4.
 - A sample **Wedding Bulletin** can be found on page 5.
 - Current **Wedding Folder Options** are shown on pages 6-9.
 - The **Wedding Planning Worksheets** are printed on pages 10-12.
- 5. Secure a Wedding License...** Wisconsin law requires couples to secure a license to marry. You may apply for a license at the office of the County Clerk of Court in either the county you reside, or in the county in which you will be married. The license fee is \$115 in cash, no checks, credit or debit cards.

The bride and groom apply together and in person. While the license is often issued on the day you apply, the state has up to six (6) full calendar days before they legally are required to issue your license. Once issued the license is valid for us within the next 30 days. So plan now on the details of getting your license!

The couple must have 1) date and place of ceremony, 2) full name and title of the officiant, 3) Photo ID, 4) Social Security card, 4) Proof of where you physically live, 5) certified birth certificate, 6) if previously married, judgment of divorce. The officiating pastor will let you know when he wants the license available since he is responsible for its completion and mailing.
Complete details at: http://www.countyofdane.com/clerk/marriage_license.aspx
- 6. Priorities ...** One of the most beneficial things an engaged couple can do to prepare for married life is to discuss important items like budgets, raising children (if applicable), and especially faith and where each person is at in their relationship with the Lord (including one's prayer and worship life). Since the patterns of behavior a couple establishes early in the marriage tend to stay with them for a lifetime, now is a good time to begin discussing and practicing these things.
