RVVM is an academically independent self financed autonomous certification body offering various online industry integrated learning programmes, professional vocation, diploma and certification courses by online and distance learning mode.

At RVVM we plan to make the highest standards in education available to all students so they do not have to deviate from their objective of interest due to the lack of opportunity.

Our goal is to enhance people's skills and let them envisage themselves to be geared up for today, tomorrow and forever. In today's cyberspace revolution we can no longer afford to be ordinary pieces. Each one of us has to be an extra-ordinary masterpiece and attest ourselves at every stage of life. To get that extra-ordinary upshot in your life, you need to polish those ordinary skills and outshine yourself for the world with RVVM.

RVVM offers wide range of online industry integrated courses that can help you to uphold limitations of time and location. Whether you need to update your skills in your existing job or you desire to enter a new industry, our courses are designed to deliver latest skills and knowledge you need at your place, time, and convenience and all this with pioneer touch of traditional teaching methodologies.
