

In recognition of dedicated service
Victor Elementary School
Proudly presents the 2009-2010
HONORARY SERVICE AWARDS

Each year the PTA recognizes a few individuals who have demonstrated exceptional dedication and contributions to the youth of your community. These people are not necessarily PTA members and need not be limited to our school or PTA. If you know of someone who has given exceptional service to youth, please help us by nominating him or her for this award. As you consider whom to nominate, think not only about that special person working in your child's classroom or for our school, but also of those who have made outstanding contributions to youth, sports, church or temple programs, or to community groups like YMCA or scouting.

The Honorary Service Committee will choose from the nominations and the recipients will be honored at the PTA Association meeting on February 25, 2010.

Please take time to nominate someone you would like to be recognized by filling out the form below, putting in a sealed envelope labeled "PTA – HSA", and returning it to the school office or your child's classroom no later than Wednesday, January 13, 2010.
