Providing Families with a Home away from Home...

Since opening our doors in 1985, more than 28,000 people have found shelter, comfort and a sense of community at Family House. Our hospital hospitality house provides low-cost lodging and other supportive services for the families of patients receiving medical and nursing care in Peoria, Illinois. Family House offers a full range of conveniences designed to reduce day-to-day stresses, so families can concentrate on helping their loved one.

Many of our guests travel from all parts of the United States, staying weeks to months out of the year. During such a trying time, Family House strives to provide guests with conveniences that comfort and console them during their stay.

Volunteers that our interested in hosting a meal are responsible for planning the menu, purchasing the ingredients, and preparing the meal within our full-equipped kitchens. At any given time, there are approximately 50 guests in-residence, we ask that your organization plan accordingly to accommodate all of our guests. Once Family House receives a group's full commitment, we will provide a Meal Guideline form to ensure the safety of our volunteers and guests.

Volunteers that our interested in providing an activity involving guests are responsible for planning, preparing, and executing the activity at hand. We ask that the activity planned accommodates the amount of guests in-residence.

All in all, Family House guests are always looking for the opportunity to interact with new people. If you are interested in providing a meal or an activity, please fill out the back of this sheet and email it to, jessica@familyhousepeoria.org. Scheduling will be done on a first come, first serve basis.

Family House is grateful for your interest and willingness to provide relief for our guests through the offering of a meal or an activity. Family House is greatly appreciative for volunteers to present guests with either of these services.
