

Instructions for Form 540/540A — California Resident Income Tax Return

Reference to these instructions are to the Internal Revenue Code (IRC) as of January 1, 2005, and the California Revenue and Taxation Code (R&TC).

Before You Begin

Complete your federal income tax return (Form 1040, Form 1040A, or Form 1040EZ) before you begin your California Form 540/540A. Use information from your federal income tax return to complete your Form 540/540A. Complete and mail Form 540/540A by April 15, 2009. If unable to mail your tax return by the due date, see page 2.

You may qualify for the federal earned income credit. See page 2 for more information. No comparable state credit exists.

Filing in Your Tax Return

- Use black or blue ballpoint pen on the tax return you send to the Franchise Tax Board (FTB).
- Enter your social security number(s) (SSN) or individual taxpayer identification number(s) (ITIN) at the top of Form 540/540A, Side 1.

- Round cents to the nearest whole dollar. For example, round \$50.50 up to \$51 or round \$25.49 down to \$25.
- If you do not have an entry for a line, leave it blank unless the instructions for a line specifically tell you to enter -0-. Do not enter a dash, or the word "NONE."

Foreign Address

Enter the information in the following order: City, Country, Province/Region, and Postal Code. Follow the country's practice for entering the postal code. Do not abbreviate the country name.

Principal Business Activity Code (Form 540 only)

Enter the numeric principal business activity (PBA) code from federal Schedule C, line B.

Prior Name

If you or your spouse/RDP filed your 2007 tax return under a different last name, write the last name **only** from the 2007 tax return.

Social Security Number (SSN) or Individual Taxpayer Identification Number (ITIN)

Enter your SSN in the spaces provided. To protect your privacy, your SSN is not printed on the tax booklet with your name and address. If filing a joint tax return, enter the SSNs in the same order as the names.

If you do not have an SSN because you are a nonresident or resident alien for federal tax purposes, and the IRS issued you an ITIN, enter the ITIN in the space for the SSN. An ITIN is a tax processing number issued by the IRS to foreign nationals and others who have a federal tax filing requirement and do not qualify for an SSN. It is a nine-digit number that always starts with the number 9.

Filing Status

Line 1 through Line 5 – Filing Status

Fill in only one of the circles for line 1 through line 5. Enter the required additional information if you filled in the circle on line 3 or line 5. For filing status requirements see page 3.

Use the same filing status for California that you used for your federal income tax return.

Exception: If you file a joint tax return for federal, you may file separately for California if either spouse was:

- An active member of the United States armed forces or any auxiliary military branch during 2008.
- A nonresident for the entire year and had no income from California sources during 2008.

Caution – Community Property States: If the spouse earning the California source income is domiciled in a community property state, community income will be split equally between the spouses. Both spouses will have California source income and they will not qualify for the nonresident spouse exception.

If you had no federal filing requirement, use the same filing status for California you would have used to file a federal income tax return.

Same-sex married individual or registered domestic partners (RDPs) who file single for federal **must file** married/RDP filing jointly or married/RDP filing separately for California.

If you filed a joint tax return and either you or your spouse/RDP was a nonresident for 2008, you must file the Long or Short Form 540NR, California Nonresident or Part-Year Resident Income Tax Return.

If you are married or an RDP, each spouse/RDP 65 years of age or older should claim an additional credit. You may contribute all or part of this credit to the California Seniors Special Fund. If you received wages and do not have a Form W-2, see “Attachments to your tax return” on page 19.

Line 13 – Federal Adjusted Gross Income (AGI) from Form 1040, line 37; 1040A, line 21; or 1040EZ, line 4

Same-sex married couples (SSMCs) or RDPs who file a California tax return as married/RDP filing jointly and have no SSMC adjustments or RDP adjustments between federal and California, combine their individual AGIs from their federal tax returns filed with the Internal Revenue Service (IRS). Enter the combined AGI on Form 540/540A, line 13.

SSMC adjustments and RDP adjustments include but are not limited to the following:

- Transfer of property between spouses/RDPs

Transfer the amount from the California SSMC Adjustments Worksheet, line 37, column D, or federal pro forma Form 1040, line 37, to Form 540/540A, line 13.

RDPs filing as married/RDP filing separately, former RDPs filing separately, and RDPs with RDP adjustments will use the California RDP Adjustments Worksheet in FTB Pub. 737, Tax Information for Registered Domestic Partners, or complete a federal pro forma Form 1040. Transfer the amount from the California RDP Adjustments Worksheet, line 37, column D, or federal pro forma Form 1040, line 37, to Form 540/540A, line 13.

Line 14 (Form 540) – California Adjustments – Subtractions [from Schedule CA (540), line 37, column B]

If there are no differences between your federal and California income or deductions, do not file a Schedule CA (540), California Adjustments — Residents.

If there are differences between your federal and California income or deductions, complete Schedule CA (540). Follow the instructions for Schedule CA (540) beginning on page 51. Enter on line 14 the amount from Schedule CA (540), line 37, column B. If a negative amount, see Schedule CA (540), line 37 instructions, page 56.

Line 14a (Form 540A) – State Income Tax Refund

Enter the amount of any state income tax refund shown on your federal Form 1040, line 10. If you filed federal Forms 1040A or 1040EZ, enter -0-.

Line 14b (Form 540A) – Unemployment Compensation

Enter the total of any unemployment compensation and/or Paid Family Leave Insurance benefits reported on federal Form(s) 1099-G, Certain Government Payments, and shown on your federal return. These types of income are not taxed by California and should be included on line 14b and in the total for line 14g.

Line 14c (Form 540A) – Social Security Benefits (and Tier 1 or Tier 2 Railroad Retirement Benefits)

- Enter the amount of U.S. social security benefits or equivalent tier 1 railroad retirement benefits reported on federal Form 1040A, line 14b or Form 1040, line 20b.
- Enter the amount of tier 1 (non-social security equivalent) and tier 2 railroad retirement benefits included in the amount on federal Form 1040A, line 12b or Form 1040, line 16b.

Do not include any other pension amounts on this line. If you filed Form 1040EZ, enter -0-.

Line 14d (Form 540A) – California Nontaxable Interest or Dividend Income

California does not tax interest earned from:

- United States savings bonds.
- United States Treasury bills, notes, and bonds.
- Bonds or obligations of United States territories, and government agency obligations specifically exempted by federal law.

Enter only the amount of interest that you received from these sources and that you included in the amount reported on your federal Form 1040A, line 8a; Form 1040, line 8a; or Form 1040EZ, line 2.

Interest from municipal or state bonds from a state other than California: This interest is taxed by California. You may not use Form 540A. Use Form 540, e-file, or CalFile.

Interest from Federal National Mortgage Association (Fannie Mae) Bonds, Government National Mortgage Association (Ginnie Mae) Bonds, and Federal Home Loan Mortgage Corporation (FHLMC) securities: This interest is taxed by California. Do not enter it on line 14d.

Exempt-interest dividends from mutual funds: Certain mutual funds are qualified to pay “exempt-interest dividends” if at least 50% of their assets consist of tax-exempt government obligations. The portion of the dividends that are tax-exempt will be shown on your annual statement from the mutual fund. If the amount of California tax-exempt interest is more than the amount of federal tax-exempt interest, enter the difference on line 14d. If the amount of California tax-exempt interest is less than the amount of federal tax-exempt interest, you may not use Form 540A. Use Form 540, e-file, or CalFile.

Line 14e (Form 540A) – California Individual Retirement Arrangement (IRA) Distributions

Differences may exist between the taxable amounts of federal and California IRA distributions, pensions, and annuities. Enter any differences on line 14e and line 14f.

You cannot use Form 540A if you have Roth IRA conversions or distributions. Use Form 540, e-file, or CalFile.

The method of taxing IRA distributions is generally the same for California and federal purposes. However, there may be significant differences in the taxable amount depending on when you made your contributions.

The maximum IRA contribution allowed as a deduction for California was less than the maximum amount allowed for federal for years 1975 and 1982 through 1986. If you made contributions during these years, report the difference between the deduction you took for federal and the deduction you took for California on this line. For more information, get FTB Pub. 1005, Pension and Annuity Guidelines. See “Order Forms and Publications” on page 67.

Report the difference between your California and your federal taxable IRA distributions on line 14e. Attach Form 1099-R to your Form 540A if tax was withheld.

Line 14f (Form 540A) – Non-taxable Pensions and Annuities

Generally, you will not make any adjustments on this line. You should not make an adjustment solely because the pension was earned in another state. Federal and State tax laws require California residents to pay state income tax on all taxable pensions, regardless of where they were earned. However, California law treats railroad retirement benefits differently. If you received tier 2 railroad retirement benefits, tier 1 (non-social security equivalent) (included in the amount on federal Form 1040A, line 12b or Form 1040, line 16b), or partially taxable distributions from a pension plan, you may need to make the adjustment described on this page. If you received a federal Form RRB-1099-R, Annuities or Pensions by the Railroad Retirement Board, for railroad retirement benefits and included all or part of these benefits in federal AGI on line 13, enter the taxable benefit amount on line 14f.

If you began receiving a retirement annuity between July 1, 1986, and January 1, 1987, and you elected to use the three-year recovery rule for California, make an adjustment because your federal taxable amount is less than your California taxable amount. Figure the difference between the gross distribution shown on your Form 1099-R, box 1 and the taxable shown in box 2a. Enter the difference in parentheses on line 14f. For example: “(12,325).”

If you received a lump-sum distribution from a profit sharing or retirement plan and choose the 10-year averaging method you may pay less tax on the distribution. To use this method file Form 540. See the instructions for Form 540 and get Schedule G-1, Tax on Lump-Sum Distributions (not in this booklet), for more information. See “Order Forms and Publications” on page 67.

California law now conforms to certain provisions of the Internal Revenue Code (IRC) related to pension plans and deferred compensation, as those provisions apply for federal purposes including amendments to the IRC that may be enacted in the future.

Line 14g (Form 540A) – Total California Adjustments

Combine line 14a through line 14f. If the result is less than zero, enter the amount in parentheses. For example, “(13,325).”

Line 15 (Form 540) – Subtotal

Subtract the amount on line 14 from the amount on line 13. Enter the result on line 15. If the amount on line 13 is less than zero, combine the amounts on line 13 and line 14 and enter the result in parentheses. For example: “(12,325).”

Line 16 (Form 540) – California Adjustments – Additions [from Schedule CA (540), line 37, column C]

If there are differences between your federal and California income or deductions, complete Schedule CA (540). Follow the instructions for Schedule CA (540) beginning on page 51. Enter on line 16 the amount from Schedule CA (540), line 37, column C. If a negative amount, see Schedule CA (540), line 37 instructions, page 56.

Line 18 – California Itemized Deductions or California Standard Deduction

Decide whether to itemize your charitable contributions, medical expenses, interest paid, taxes, etc., or take the standard deduction. Your California income tax will be less if you take the **larger** of:

- Your California itemized deductions.
- Your California standard deduction.

California itemized deductions may be limited based on federal AGI. To compute limitations, use Schedule CA (540). RDPs use your recalculated federal AGI to figure your itemized deductions.

On federal tax returns, individual taxpayers who claim the standard deduction are allowed an additional deduction for state and local real estate taxes paid and disaster losses. For California, deductions for state and local real estate taxes paid and disaster losses are only allowed for those individual taxpayers who itemized their deductions.

If married or an RDP and filing separate tax returns, you and your spouse/RDP must either both itemize your deductions or both take the standard deduction.

Form 540 – If someone else can claim you as a dependent, you may claim the greater of the standard deduction or your itemized deductions. To figure your standard deduction, use the Form 540 – California Standard Deduction Worksheet for Dependents on this page.

Form 540A – Use Form 540A – California Standard Deduction Worksheet for Dependents on the next page.

Form 540 – Itemized deductions. Figure your California itemized deductions by completing Schedule CA (540), Part II, line 38 through line 44. Enter the result on Form 540, line 18.

If you did not itemize deductions on your federal income tax return but will itemize deductions for your Form 540, first complete a sample federal Schedule A, Itemized Deductions. Then complete Schedule CA (540), Part II, line 38 through line 44. Attach both the federal Schedule A and California Schedule CA (540) to the back of your tax return.

Form 540A – Itemized deductions. Figure your California itemized deductions by completing the Form 540A – California Itemized Deductions Worksheet on the next page. Enter the result on Form 540A, line 18.

If you did not itemize deductions on your federal income tax return but will itemize deductions for your Form 540A, first complete a federal Schedule A, Itemized Deductions. Then complete the Form 540A – California Itemized Deductions Worksheet on the next page. **Do not** attach federal Schedule A to your Form 540A.

Standard deduction. Find your standard deduction on the California Standard Deduction Chart for Most People on this page. If you filled in the circle on Form 540/540A, line 6, use the California Standard Deduction Worksheet for Dependents on this page.

If your recalculated federal AGI is more than the amount shown below for your filing status, your credits will be limited.

Special Credits and Nonrefundable Renter’s Credit

The Credit Chart on page 59 describes the credits and provides the name, credit code, and number of the required form or schedule. Many credits are limited to a certain percentage or a certain dollar amount. In addition, the total amount you may claim for all credits is limited by tentative minimum tax (TMT). - Fees for Department of Social Services or a licensed adoption agency.

Note:

- This credit does not apply when a child is adopted from another country or another state, or was not in the custody of a California public agency or a California political subdivision.

For more details, see instructions for line 38 on this page.

- California estimated tax payments made on your behalf by an estate, trust, or S Corporation on Schedule K-1 (541) or Schedule K-1 (100S)

To view payments made or get your current account balance, go to our website at ftb.ca.gov and search for myftb account.

If you and your spouse/RDP paid joint estimated taxes but are now filing separate income tax returns, either of you may claim the entire amount paid, or each may claim part of the joint estimated tax payments. If you want the estimated tax payments to be divided, notify the FTB before you file the tax returns so the payments can be applied to the proper account. The FTB will accept in writing, any divorce agreement (or court-ordered settlement) or a statement showing the allocation of the payments along with a notarized signature of both taxpayers.

Send statements to:

JOINT ESTIMATED CREDIT ALLOCATION MS F225
TAXPAYER SERVICES CENTER
FRANCHISE TAX BOARD
PO BOX 942840
SACRAMENTO, CA 94240-0040

If you or your spouse/RDP made separate estimated tax payments, but are now filing a joint income tax return, add the amounts you each paid. Attach a statement to the front of Form 540/540A explaining that payments were made under both SSNs.

You do not have to make estimated tax payments if you are a nonresident or new resident of California in 2009 and did not have a California tax liability in 2008.

Line 38 (Form 540) – Real Estate and Other Withholding

Caution: Do not include withholding from federal Form(s) W-2, W-2G, 1099, or CA Sch W-2 on this line.

Line 39 – Excess California SDI (or VPD) Withheld

You may claim a credit for excess State Disability Insurance (SDI) or Voluntary Plan Disability Insurance (VPDI) if you meet all of the following conditions:

- You had **two or more** California employers during 2008.
- You received more than \$86,698 in wages.
- The amounts of SDI (or VPD) withheld appear on your Forms W-2 or CA Sch W-2. Be sure to attach either your Forms W-2 or CA Sch W-2 to your Form 540/540A.

If SDI (or VPD) was withheld from your wages by a single employer, at more than 0.8% of your gross wages, you may not claim excess SDI (or VPD) on your Form 540/540A. Contact the employer for a refund.

To determine the amount to enter on line 39, complete the Excess SDI (or VPD) Worksheet on the next page. If married/RDP filing jointly, figure the amount of excess SDI (or VPD) separately for each spouse/RDP.

Excess SDI (or VPDI) Worksheet
Use whole dollars only.

Follow the instructions below to figure the amount of income tax to enter on Form 540/540A, line 39. If you are married/RDP and file a joint return, you must figure the amount of excess SDI (or VPDI) separately for each spouse/RDP.

	You	Your Spouse/ RDP
1. Add amounts of SDI (or VPDI) withheld shown on your Forms W-2. Enter the total here	1 _____	
2. 2008 SDI (or VPDI) limit.	2 \$693.58	\$693.58
3. Excess SDI (or VPDI) withheld. Subtract line 2 from line 1. Enter the results here. Combine the amounts on line 3 and enter the total, in whole dollars only on Form 540/540A, line 39	3 _____	

If zero or less, enter -0- on line 39.

Line 40 through Line 43 – Child and Dependent Care Expenses Credit

Claim this credit if you paid someone to care for your qualifying child under the age of 13, other dependent who is physically or mentally incapable of caring for him or herself, or spouse/RDP if physically or mentally incapable of caring for him or herself. The care must be provided in California. To claim this credit, your federal AGI must be \$100,000 or less and you must complete and attach form FTB 3506, Child and Dependent Care Expenses Credit, included in this booklet.

Line 40 and Line 41

Enter the qualifying person’s SSN. Do not enter more than one qualifying person’s SSN on line 40 or line 41 from form FTB 3506, Part III, line 2. If you have more than two qualifying persons, enter only the first two qualifying persons listed on form FTB 3506, Part III, line 2.

Line 42

Enter the amount from form FTB 3506, Part III, line 8.

Line 43

Enter the credit amount from form FTB 3506, Part III, line 12.

Line 44 (Form 540)

For the Claim of Right credit, follow the reporting instructions in Schedule CA (540) under the Claim of Right.

Claim of Right: If you are claiming the tax deduction on your California return, include the amount of the credit in the total for this line. Write in “IRC 1341” and the amount of the credit to the left of the amount column.

To determine if you are entitled to this deduction, refer to your prior year California 540/540A, 540NR Long Form, Schedule CA (540), or Schedule CA (540NR), column E, to verify the amount was included in your CA taxable income. If the amount repaid under a “Claim of Right” was not originally taxed by California, you are not entitled to claim the deduction.

Overpaid Tax or Tax Due

If you received a refund for 2007, you may receive a federal Form 1099-G. The refund amount reported on your federal Form 1099-G will be different from the amount shown on your tax return if you claimed the Child and Dependent Care Expenses Credit. This is because the credit is not part of the refund from withholding or estimated tax payments.

To avoid delay in processing of your tax return, enter the correct amounts on line 45 through line 48.

Line 45 – Overpaid Tax

If the amount on line 44 is more than the amount on line 34, your payments and credits are more than your tax. Subtract the amount on line 34 from the amount on line 44. Enter the result on line 45.

Choose e-file and Direct Deposit and get your refund faster.

Line 46 – Amount You Want Applied to Your 2009 Estimated Tax

Apply all or part of the amount on line 45 to your estimated tax for 2009. Enter on line 46 the amount of line 45 that you want applied to your 2009 estimated tax.

An election to apply an overpayment to estimated tax is binding. Once the election is made, the overpayment cannot be applied to a deficiency after the due date of the return.

Line 47 – Overpaid Tax Available This Year

If you entered an amount on line 46, subtract it from the amount on line 45. Enter the result on line 47. Choose to have this entire amount refunded to you, make contributions to the California Seniors Special Fund (see page 60), or make other voluntary contributions from this amount. If you make a contribution, skip line 48 and go to the Use Tax section of the tax return.

Line 48 – Tax Due

If the amount on line 44 is less than the amount on line 34, subtract the amount on line 44 from the amount on line 34. Enter the result on line 48. Your tax is more than your payments and credits.

There is a penalty for not paying enough tax during the year. You may have to pay a penalty if:

- The tax due on line 48 is \$200 or more (\$100 or more if married/RDP filing separately).
- The amount of state income tax withheld on line 36 is less than 90% of the amount of your total tax on line 34.

If this applies to you, go to line 64.

Increasing your withholding could eliminate the need to make a large payment with your tax return. To increase your withholding, complete EDD Form DE 4, Employee’s Withholding Allowance Certificate, and give it to your employer’s appropriate payroll staff. Get this form from your employer or by calling EDD at 888.745.3886. Download the DE 4 at www.edd.ca.gov or use the online calculator by going to ftb.ca.gov and searching for **de 4**.

Form DE 4 specifically adjusts your California state withholding and is not the same as the federal Form W-4, Employee’s Withholding Allowance Certificate.

Use Tax

Line 49 – Use Tax. This is not a total line.

As explained on page 6, California use tax applies to purchases from out-of-state sellers (for example, purchases made by telephone, over the Internet, by mail, or in person).

You may report use tax on your income tax return instead of filing a use tax return with the State Board of Equalization. To report use tax on your income tax return, complete the Use Tax Worksheet on the next page. For questions on whether a purchase is taxable, go to the State Board of Equalization’s website at boe.ca.gov, or call their Taxpayer Information Section at 800.400.7115 or TTY/TDD 800.735.2929.

If you owe use tax but you do not report it on your income tax return, you must report and pay the tax to the State Board of Equalization. To do so, download a copy of Publication 79-B, California Use Tax, from boe.ca.gov or request a copy by calling the State Board of Equalization’s Taxpayer Information Center.

Use Tax Penalty

Failure to timely report and pay the use tax due may result in the assessment of penalties.

Note: Businesses that have a California seller’s permit must continue to report business purchases subject to use tax on their sales and use tax returns.

See page 6 for a general explanation of California use tax.

Use Tax Worksheet	
Use whole dollars only.	
1. Enter purchases from out-of-state sellers made without payment of California sales/use tax. See worksheet instructions below	\$ _____ .00
2. Enter the decimal equivalent of the applicable sales and use tax rate. See table on page 20	_____
3. Multiply line 1 by the tax rate on line 2. Enter result here	\$ _____ .00
4. Enter any sales or use tax you paid to another state for purchases included on line 1. See worksheet instructions below	\$ _____ .00
5. Subtract line 4 from line 3. This is the total use tax due. Enter the amount due on line 49. If the amount is less than zero, enter -0-.	\$ _____ .00

Worksheet, Line 1, Purchases Subject to Use Tax

- Report items that would have been taxable in a California store. For example, you would include purchases of clothing, but not purchases of prescription medicine.
- Include handling charges.
- Do not include any other state's sales or use tax paid on the purchases.
- Enter only purchases made during the year that corresponds with the tax return you are filing.
- If you traveled to a foreign country and brought items back to California, generally the use tax is due on the purchase price of the goods you listed on your U.S. Customs Declaration less the \$800 per-person exemption. This \$800 exemption does not apply to goods sent or shipped to California by mail or other common carrier.
- If your filing status is "married/RDP filing separately," you may elect to report one-half of the use tax due or the entire amount on your income tax return. If you elect to report one-half, your spouse/RDP may report the remaining half on his or her income tax return or on the individual use tax return available from the State Board of Equalization (see discussion of Publication 79-B on the previous page).

Note: Report and pay any use tax you owe on the following purchases to the State Board of Equalization, **not** on your income tax return:

- Vehicles, vessels, and trailers that must be registered with the Department of Motor Vehicles.
- Mobile homes or commercial coaches that must be registered annually as required by the Health and Safety Code.
- Vessels documented with the U.S. Coast Guard.
- Aircraft.
- Leases of machinery, equipment, vehicles, and other tangible personal property.

Worksheet, Line 2, Sales and Use Tax Rate

- Enter the decimal equivalent of the sales and use tax rate applicable to the place in California where the property is used, stored, or otherwise consumed. For example, the decimal equivalent of 7.25% is 0.0725, and the decimal equivalent of 7.375% is 0.07375.
- If you do not know the applicable rate, see the table on page 20, "Sales and Use Tax Rates by County." If you have questions regarding the use tax rate in effect in your area, please go to the State Board of Equalization's website at boe.ca.gov or call their Taxpayer Information Section at 800.400.7115 or TTY/TDD 800.735.2929.

Worksheet, Line 4, Credit for Tax Paid to Another State

- This is a credit for tax paid to other states. You cannot claim a credit greater than the amount of tax that would have been due if the purchase had been made in California. For example, if you paid \$8.00 sales tax to another state for a purchase, and would have paid \$6.00 in California, you can claim a credit of only \$6.00 for that purchase.

Contributions

You can make voluntary contributions to the funds listed on Form 540/540A, Side 2. See page 60 for a description of the funds.

Amount You Owe

Add or subtract correctly to figure the amount you owe.

Line 62 – Amount You Owe

If you have an amount on line 48, add the amount on line 48, line 49, and line 61, if any. Enter the result on line 62.

If you have an amount on line 47, subtract line 49 and line 61 from line 47. If the combined amount of line 49 and line 61 is more than line 47, enter the difference on line 62.

To avoid a late filing penalty, file your Form 540/540A by the extended due date even if you cannot pay the amount you owe.

Payment Options

- **Electronic Funds Withdrawal** – Instead of paying by check or money order, use this convenient option if you e-file. Simply provide your bank information, amount you want to pay, and the date you want the balance due to be withdrawn from your account. Your tax preparation software will offer this option.
- **Web Pay** – Pay the amount you owe using our secure online payment service. Go to our website at ftb.ca.gov and search for **web pay**.
- **Credit Card** – Use your Discover/Novus, MasterCard, Visa, or American Express card to pay your tax. If you pay by credit card, do not mail form FTB 3519 to us. Call 800.272.9829 or go to the Official Payments Corp. website at officialpayments.com, and use the jurisdiction code 1555. Official Payments Corp. charges a convenience fee for using this service.
- **Check or Money Order** – Make your check or money order payable to the "Franchise Tax Board." **Do not send cash.** Write your SSN or ITIN and "2008 Form 540" or "2008 Form 540A" as applicable on the check or money order. Enclose, but **do not** staple, your payment with your tax return.

Make all checks or money orders payable in U.S. dollars and drawn against a U.S. financial institution. **Do not** combine your 2008 tax payment and any 2009 estimated tax payment in the same check. Prepare two separate checks and mail each in a separate envelope.

A penalty may be imposed if your check is returned by your bank for insufficient funds.

Paying by Credit Card – Whether you e-file or file by mail, use your Discover/Novus, MasterCard, Visa, or American Express card to pay your personal income taxes (tax return balance due, extension payment, estimated tax payment, or tax due with bill notice). **There is a convenience fee for this service.** This fee is paid directly to Official Payments Corp. based on the amount of your tax payment.

Interest and Penalties

If you file your tax return or pay your tax after the due date, you may owe interest and penalties on the tax due.

Do not reduce the amount on line 45 or increase the amount on line 48 by any penalty or interest amounts. Enter on Form 540, line 63 the amount of interest and penalties.

Line 63 (Form 540) – Interest and Penalties

Interest. Interest will be charged on any late filing or late payment penalty from the original due date of the return to the date paid. In addition, if other penalties are not paid within **15** days, interest will be charged from the date of the billing notice until the date of payment. Interest compounds daily and the interest rate is adjusted twice a year. The FTB website has a chart of interest rates in effect since 1976. Go to ftb.ca.gov and search for **interest**.

Late Filing of Return. The maximum total penalty is 25% of the tax not paid if the tax return is filed after October 15, 2009. The minimum penalty for filing a tax return more than 60 days late is \$100 or 100% of the balance due, whichever is less.

Late Payment of Tax. If you fail to pay your total tax liability by April 15, 2009, you will incur a late payment penalty plus interest. If you have paid at least 90% of the tax shown on the return by the original due date of the tax return, we will waive the penalty based on reasonable cause. However, the imposition of interest is mandatory. If, after April 15, 2009, you find that your estimate of tax due was too low, pay the additional tax as soon as possible to avoid or minimize further accumulation of penalties and interest. If you do not file your tax return by October 15, 2009, you will incur a late filing penalty plus interest from the original due date of the tax return. The penalty is 5% of the tax not paid when due plus 1/2% for each month, or part of a month, the tax remains unpaid.

Penalties. To avoid late payment penalties for use tax, you must report and pay the use tax with a timely filed income tax return, or California Individual Use Tax return.

Other Penalties. We may impose other penalties if a payment is returned for insufficient funds. We may also impose penalties for negligence, substantial understatement of tax, and fraud.

Line 64 – Underpayment of Estimated Tax

You may be subject to an estimated tax penalty if any of the following is true:

- Your withholding and credits are less than 90% of your current tax year liability.
- Your withholding and credits are less than or 100% of your prior year tax liability (110% if AGI is more than \$150,000 or \$75,000 if married/RDP filing separately).
- You did not pay enough through withholding to keep the amount you owe with your tax return under \$200.

The FTB can figure the penalty for you when you file your tax return and send you a bill.

Is line 48 less than \$200 (\$100 if married/RDP filing separately)?

Yes Stop. You are not subject to an estimated payment penalty.

No Continue. You may be subject to an estimate payment penalty.

Is line 48 less than 10% of the amount on line 30? Form 540 filers: this excludes the tax on lump-sum distributions on Form 540, line 23.

Yes Stop. You are not subject to an estimated payment penalty.

No You may be subject to an estimate payment penalty; get form FTB 5805, Underpayment of Estimated Tax by Individuals and Fiduciaries (or form FTB 5805F, Underpayment of Estimated Tax by Farmers and Fishermen).

The underpayment of estimated tax penalty shall not apply to the extent the underpayment of an installment was created or increased by any provision of law that is chaptered during and operative for the taxable year of the underpayment. To request a waiver of the underpayment of estimated tax penalty, get form FTB 5805 or form FTB 5805F.

If you complete one of these forms, attach it to the back of your Form 540/540A. Enter the amount of the penalty on line 64 and fill in the correct circle on line 64. Complete and attach the form if you claim a waiver; use the annualized income installment method, or pay tax according to the schedule for farmers and fishermen, even if you do not owe a penalty.

See "Important Due Dates" on page 2, for more information on estimated tax payments and how to avoid the underpayment penalty.

See the instructions for Form 540, line 65 or Form 540A, line 62 for information about figuring your payment, if any.

Line 65 (Form 540) – Total Amount Due

Is there an amount on line 62?

Subtract line 49 and line 61 from line 47. If the result is zero or more, enter the result on line 66. If the combined amount of line 49 and line 61 is more than line 47, enter the difference on line 62.

Line 66 (Form 540) – Refund or No Amount Due

Yes Combine the amounts from line 49, line 61, line 63, or line 64. If the result is:

- More than line 47, subtract line 47 from the sum of line 49, line 61, line 63, and line 64 and enter the result on line 65. This is your total amount due. For payment options, see line 62 instructions.
- Less than line 47, subtract the sum of line 49, line 61, line 63, and line 64 from line 47 and enter on line 66. This is your refund amount.

Want a fast refund? Get your refund in 10 days or less when you e-file your tax return.

Direct Deposit (Refund Only)

Line 67 and Line 68 – Direct Deposit of Refund

Direct deposit is fast, safe, and convenient. To have your refund directly deposited into your bank account, fill in the account information on

Form 540/540A, Side 2, line 67 and line 68. Fill in the routing and account numbers and indicate the account type. Verify routing and account numbers with your financial institution. **Do not** attach a voided check or deposit slip. See the illustration below.

Individual taxpayers may request that his or her refund be electronically deposited into more than one checking or savings account. This allows more options for managing your refund. For example, you can request part of your refund go to your checking account to use now and the rest to your savings account to save for later.

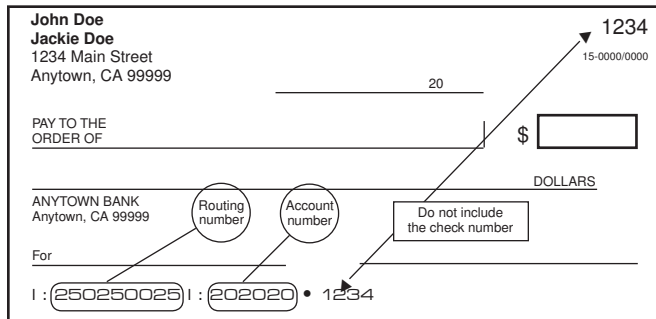

The routing number must be nine digits. The first two digits must be 01 through 12 or 21 through 32. On the sample check, the routing number is 250250025. The account number can be up to 17 characters and can include numbers and letters. Include hyphens but omit spaces and special symbols. On the sample check, the account number is 202020.

Check the appropriate box for the type of account. Do not check more than one box for each line.

Enter the portion of your refund you want directly deposited into each account. Each deposit must be at least \$1. The total of line 67 and line 68 must equal the total amount of your refund on line 66. If line 67 and line 68 do not equal line 66, the FTB will issue a paper check.

Caution: Check with your financial institution to make sure your deposit will be accepted and to get the correct routing and account numbers. The FTB is not responsible for a lost refund due to incorrect account information entered by you or your representative.

Some financial institutions will not allow a joint refund to be deposited to an individual account. If the direct deposit is rejected, the FTB will issue a paper check.

Sign Your Tax Return

You must sign your tax return in the space provided on Side 2. If you file a joint tax return, your spouse/RDP must sign it also. See below for more information on verifying and checking information on your tax return, attachments to your tax return, and assembling and mailing your tax return.

Joint Tax Return. If you file a joint tax return, both you and your spouse/RDP are generally responsible for the tax and any interest or penalties due on the tax return. This means that if one spouse/RDP does not pay the tax due, the other may be liable. See "Innocent Spouse Relief," on page 6.

Paid Preparer's Information. If you pay a person to prepare your Form 540/540A, that person signs and completes the area at the bottom of Side 2 including an identification number (social security number, FEIN, or PTIN). A paid preparer must give you two copies of your tax return: one to file with the FTB, and one to keep for your records.

Third Party Designee. If you want to allow a friend, family member, or any other person you choose to discuss your 2008 tax return with the FTB, check the "Yes" box in the signature area of your tax return. Also print the designee's name and telephone number. If you want to allow the paid preparer who signed your tax return to discuss it with the FTB, enter "Preparer" in the space for the designee's name and print the preparer's telephone number.

If you check the "Yes" box you, and your spouse/RDP, if filing a joint tax return, are authorizing the FTB to call the designee to answer any questions that may arise during the processing of your tax return. You are also authorizing the designee to:

- Give the FTB any information that is missing from your tax return.
- Call the FTB for information about the processing of your tax return or the status of your refund or payments.
- Receive copies of notices or transcripts related to your return, upon request.
- Respond to certain FTB notices about math errors, offsets, and tax return preparation.

You are not authorizing the designee to receive any refund check, bind you to anything (including any additional tax liability), or otherwise represent you before the FTB. If you want to expand or change the designee's authorization, get form FTB 3520, Power of Attorney Declaration for the Franchise Tax Board.

The authorization will automatically end no later than the due date (without regard to extensions) for filing your 2009 tax return. This is April 15, 2010, for most people. If you wish to revoke the authorization before it ends, notify us by telephone at 800.338.0505 or by writing to Franchise Tax Board, PO Box 942840, Sacramento, CA 94240-0040, include your name, SSN, and the designee's name.

Power of Attorney. If another person prepared your tax return, he or she is not automatically granted access to your tax information in future dealings with us. At some point, you may wish to designate someone to act on your behalf in matters related or unrelated to this tax return (e.g., an audit examination). To protect your privacy, you must submit to us a legal document called a "Power of Attorney" (POA) authorizing another person to discuss or receive personal information about your income tax records.

For more information, get form FTB 1144, Power of Attorney Pamphlet, and form FTB 3520, Power of Attorney Declaration, available at ftb.ca.gov. See "Where To Get Income Tax Forms and Publications" on page 67.
