First-Year Students

Scholarships are awarded on the basis of the student's high school grade point average, ACT or SAT scores, writing ability, leadership potential and need. This application gives a good overview of each applicant's development in these areas.

- Any Trimble County resident or high school student may apply. Priority will be given to applicants majoring in agricultural sciences, but all majors will be considered for the Log House Farm Scholarship.

- A total of $5,000 in scholarship monies will be awarded to applicants.

- Carefully and completely fill out the application form. **Follow the instructions.**

- Applications must be postmarked no later than **April 1** of the year you enroll.

- Each application will be reviewed by the Log House Farm Scholarship Committee. The committee will decide if a scholarship will be awarded and if so, the amount of the award. Recipients will be notified of the award offer in May.

- Log House Farm Scholarships are awarded for one academic year, in two equal amounts for the fall and spring semesters. Students may re-apply for upperclass scholarships in the spring of each year, and as long as they maintain grades in good standing.
