A Raffle for Cavalier Rescue

At the New Orleans show in December, The Cavaliers of the South kicked off a very special three show raffle to benefit Cavalier Rescue USA!

(www.cavalierrescueusa.org)

A beautiful cavalier quilt is being raffled (see picture to right). The quilt being offered was designed and hand sewn by Rebecca Land. Becky is a lifelong friend of CKCSCUSA member, Debra Cline. Becky has a cavalier, Boudreaux, who suffered a small intestine perforation from eating a foreign object. Boudreaux spent the better part of the 2011 holiday season in the veterinary ICU at Texas A&M vet school. He had several surgeries to remove the object and correct the subsequent infection. He pulled through these and the accompanying

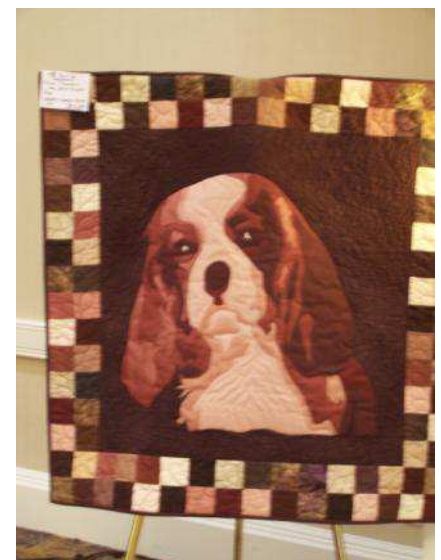

infection and nutrition issues thanks to the excellent but expensive care he received. Boudreaux's bills were paid in part by rescue benefactors and a rescue honorarium from the vet school. In return for this assistance, Becky crafted this 40x40 hand sewn quilt to help raise money for cavalier rescue. Tickets are \$5 each for this raffle and can be purchased at the Williamsburg and Atlanta shows.

The winner will be announced at the May 2013 Atlanta Specialty Show!

The quilt will be on display at the Williamsburg show, so please take a minute to see this quality piece and buy a few raffle tickets!

Even if you do not win the quilt, you still win because you are donating to help cavaliers in need that are in our cavalier rescue organization.

Thank you to Rebecca for this wonderful donation, thank you for purchasing raffle tickets and thank you to all our rescue volunteers!

*We will be back
in Williamsburg
VA on March
14th - 17th*

Dear Members,

I hope everyone enjoyed the Holidays!

We had a great time in New Orleans last month! I want to thank everyone who helped make this year's show possible. A special thanks to Earline Barrios, Patsy Casey and Kevin Cline for the weekend. The hospitality room was a hit; everyone enjoyed the parlor games supplied by our very own Norma Inglis, the palm reading by Michael Levy and the Tarot Card reader. It was a great way to unwind after the show and meet some new Cavalier friends. Without the folks that put in endless hours, we could not put on the caliber of shows we do.

In March, we will be back in Williamsburg, VA. The show will be on March 14 - 17. We will be at the Holiday Inn Patriot. This should be a great weekend to see beautiful cavaliers in one of our truly historic cities. If you will be attending the show and would be

willing to volunteer some time to work, please contact our show chairs: Caryna Fox and Christa Fox, at 703-505-1622.

Plans are in progress for our May show to be held in Atlanta, GA. This is our AGM at the Atlanta Airport Hilton in Atlanta. If you will be attending the show and would be willing to volunteer some time to work on Friday, Saturday or Sunday, May 9th - 13th, please let me know (706) 342-3292). Do not forget the raffle and LIVE & SILENT auctions! Anyone with donations please contact Sharon Utych at utych@earthlink.net. There will be heart and eye clinics on Saturday. If anyone has any ideas for a seminar on Thursday please let me know. At this show, there will be a free shuttle to and from the airport. All members need to think about how they would like to work at these upcoming shows. All volunteers with exception of the ring steward can show their dogs the day of the show (the ring stewards dogs can be shown they just can't be the one in the ring). The success of our

shows depends on our volunteers and we would appreciate your help.

I'm looking forward to 2013 and all it brings. Our shows will be in March in Williamsburg VA, May in Atlanta GA, October THE NATIONAL in Atlanta GA, November in York PA and for the last show of the year in December we will be back in Chattanooga TN.

This is your club and we need your input. If anyone has suggestions for up coming judges or if you would like to volunteer in any capacity in the coming year please let me know. You can reach me at 706-342-3292 or email me at Playerscav@aol.com.

Let's all support the March show and all the 2013 shows with our time and entries. I hope everyone had a Merry Christmas and a Happy New Year!

Until next time,

Paula Ayers

Thank YOU for a Wonderful December Auction!

I want to thank all of our wonderful club members who graciously donated items for our silent auction table at the Winter Specialty Show in New Orleans. Without your contributions, the auction would not have been a success! The donations were

one of a kind items and beautiful baskets and I really appreciate everything that was donated. I also want to thank our bidders and winners of the items! You did bid high and we had a very successful auction, collecting over \$1,000! Thanks also to everyone who

participated in the 50/50 cash raffle and the Wally Pet Bed Pillow raffle! The Jacks (Krista and Larry) were very lucky and won both raffles!

Again, **thank you** all again for making this auction the success it was!

CavalierRescueUSA

SUPPORT CAVALIER RESCUE USA! We need your donations to help offset the vet costs for these little angels. So many cavaliers have come into rescue in the Southeast this past year and need help with medical expenses. THANK YOU to the volunteers and especially Greg McKinney and Brittney Wilk!

Make a Lasting Impression

Did you ever want to have a keepsake of one of your “heart” cavaliers. You know the one I am talking about. The one that you let sleep with you, the one you find hugging and kissing more than the others (is that just possible), the one, well that is the one...

I have two cavaliers. One is my heart, my first cavalier, my boy Finn. The other is my Skye, the little man who came to me at 9 months of age and captured my soul with his loving eyes.

Paula and Brenda can attest to how much I love my little boys.

Sometimes I could be mistaken for a crazy dog lady as I love my boys so much!

I wanted to make a lasting ornament for our Christmas tree of my two boys, something special. This fit the bill. It is that old elementary school “salt dough” we used to make our handprints in and bring home to our parents! I just use it for PAWPRINTS! It’s easy and here is the recipe:

SALT DOUGH

2 cups all-purpose flour
1 cup salt
1 cup water
2 tablespoons vegetable oil

1. Preheat oven to 250 degrees Fahrenheit.

2. Use a stand mixer to mix all together. Use dough hook to knead until soft and pliable.

3. Roll out on parchment paper about 1/4 inch thick. Press in paws. Cut around with the top of a glass or you can use a knife. Place on cookie sheets. Make a hole in the top (with a toothpick) for threading later.

4. Bake for 1-2 hours or until hard.

5. Paint and/or seal with clear varnish.

Voila! A perfect capture of your best friend's paw! You can of course use this recipe to make imprints of baby’s feet, baby’s hands,

children’s hands, etc.

They make great keepsakes and gifts too!

FYI - don’t try it with a cat unless you can herd them real good! LOL!

Have fun!

I would like to thank Earline Barrios for hosting a great fun match and inviting me to judge. It was a warm fall afternoon with lots of food and fun had by all - Dr. Kevin Cline

Special Class (4-5 mo)

Acadiana Louie (Barrios/Casey) - A youngster just over 4 months of age, not quite used to the lead. He has a very nice shape, with good front and rear angles as well as plenty of substance for his age. His expression is nice with a beautiful eye. Well broken markings. A promising puppy.

Senior Puppy Dog

AutumnHill Brookhaven Gone Country (Casey) - A richly colored Ruby that presents an overall nice shape. He has the beginnings of a nice coat with the correct texture. Excellent substance. Nice front with strong rear, which he used to his advantage. He moved with energy and confidence around the ring. An attractive more moderate head, with longer, less filled, muzzle, though he is young and this may come with time.

Best Puppy Dog, Best Puppy in Match.

Graduate Puppy Dog

Acadiana Marshall (Casey) - A very well balance Blenheim, that at first was not quite up to the task of showing, but gained confidence quickly. Excellent size. Rich Color and well broken markings. He has a stand out head, soft, yet masculine. A full muzzle and a large, dark eye, gave him the desired expression. A nice proportion of top skull to foreface. A firm, straight topline and nicely angled rear completed the package. I like him a lot. **Winners Dog, Best In Match**

Junior Puppy Bitch

Riverview Jierans Skies The Limit (Farthing/Barrios) - A young puppy full of energy. She showed very confidently for just five months of age. A well broken Blenheim with a nice eye. Less angled in the front and rear but balanced overall. Moving close behind today.

Graduate Puppy Bitch

Tidewater Rebellion (O'Brien) - A nice compact bitch with good bone for size. Showed exuberantly, constantly wagging her tail. She had a good expression with large dark eyes. A level topline, however there is a slight drop off in croup. Moved correctly with drive. **Winners Bitch and Best of Opposite, Reserve Best in Match.**

Bred By Exhibitor

Tidewater Dazzled By Luv (O'Brien) - Five year old girl that really enjoyed her day. She is Longer in cast and has a tendency to dip at the shoulders on the move. Nice well broken coat. Nice dark eyes.

Novice

1st: Riverview Itsy Bitsy (Barrios) - A well broken Blenheim girl, diminutive in size. I would like a little more bone. Nice eyes. Moved tentatively at first, but then settled into a nice gait.

2nd: Pretty As Lace (Harrel/Allen) - A Happy older girl carrying a little extra weight today. She had a dense well broken coat. Shorter back. Moved confidently, but close in the rear today.

Thanks to all of the COS members for a great 2012. From a financial standpoint, the COS remains strong and our checking and saving account balances are comparable to the previous year. Even though our shows are not as well attended as in the past, other revenue streams are able to help us consistently put on excellent and entertaining shows. It is important to remember that members support of the Silent and Live auctions as well as class sponsorships help us defray costs for the shows. THIS IS NOT THE FINAL YEAR END BALANCE SHEET AS THAT WILL NOT BE AVAILABLE UNTIL MID TO LATE JANUARY which will reflect December show charges and a balanced bank statement. Here's to a great 2013!

Senior Puppy Bitch

1st Bale; *Oggbrae Donna Elvira*

A well-marked Blenheim girl of just 9 months, large dark eyes and nose pigment was ok, adequate neck and shoulders, well sprung ribs, she is longer cast that I would like and would prefer a better turn of stifle, she would benefit from road work as she needs to strengthen in the rear.

Graduate Puppy Bitch

1st Cline's; *Forrestcreek Princess Diana*

What a princess this little girl was, gorgeous head, large round dark eyes giving the softest of expression, correct dentition and black pigment, excels in breed type and make and shape, she looks elegant going around the ring in profile. Like her sister she has a quality textured coat and was so rich in colour, she has a lovely arched neck into well laid shoulders good depth of chest and spring of rib, a level top line which she kept at all times. She was slightly longer in loin to the previous 2 but a quality exhibit.

4th Hardwick; *TuSus Your Secret is Safe*.

Blenheim girl who was larger in size and different in type to the previous 3 in this class, large eyes but unfortunately she shows white in both eyes and this did not help her expression, good nose pigmentation she has a moderate neck, her shoulder placement was not as good as the previous 3, she has a level top line but falls away at the croup. Needs to tighten in movement.

critiques of this wonderful weekend!

I did not have the opportunity to attend the Banquet and Live Auction but I heard it was fantastic and the auction was successful! And for the first time, we had prebids for live auction items on the National website which was a great idea for raising even more funds!

Kudos to the team who handled the live and silent auctions as I personally know what a tedious task this can be!

We also participated in the health clinics and everything worked like clockwork (once the folder was found, LOL)! Having a lower cost echocardiogram available was also appreciated.

The judges fireside chat was a great time to chat about the events of the

weekend and socialize and wind down.

Agility and Obedience also provided a demo during the conformation break and I have to say that these cavaliers are AMAZING! Bravo! They held several of their events offsite and I hope you got to attend to see this great sport.

I was in tears as the veterans parade kicked off Thursday evening. So proud of all the veterans of our breed. We also participated in the Performance and Therapy Dog parade on Thursday evening. It was wonderful that the Club chose to recognize and honor these special dogs who give so much to us humans with their service and touch.

All in all, a great weekend! - Sharon Utych
