Dear Parents,

IMPORTANT: SCHOOL WEBSITE PHOTOGRAPH CONSENT

The school website www.stoswaldsprimary.co.uk provides useful information about the school and also features photographs of the children taking part in school activities.

Over the next half term we will be publishing new photographs and videos of the children on our website and will continue to add more throughout the academic year, therefore it is vital that we have your permission to publish photographs of your child. Your child's photograph/video **will not** be featured on the website if you express your wish that it is not published.

Please return the slip below by next Monday 18 January to indicate your preference with regard to the school website.

Yours sincerely,

H T Lennon
Head Teacher
