Actions:

- Promote cycle storage facility within the development through use of posters within lifts and on notice boards. Promote facility through discussion with tenants visiting management office. (Underway)
- Address fears of poor security at bike store through reposition of CCTV cameras and installation of bike rack within the store (completed)
- Ensure car sharing and car club organisations are promoted throughout development. Utilise notice boards and newsletters. Promote events organised by Leeds City Council and other organisations (underway)
- Encourage residents to participate in green travel events organised by Leeds City Council and other organisations. Promote through posters within display boards and on website.
