

PhilinCon Donation Form

To donors: please kindly print, fill out and mail this form with your donation.
Thanks!

I would like to make the following donation in support of PhilinCon's projects aimed at rural community development and the conservation of the Philippines' endangered endemic species and remaining forest areas, particularly those in the island of Panay.

Amount of donation:

Note: Donations of any amount are welcome and will be used to finance PhilinCon's projects, taking into account any preference individual donors may specify (below) in this connection. Otherwise, our standard suggested contributions are (in US dollars):

Supporter:	50-200 \$	Patron:	250-400 \$
Co-Sponsor:	400-800 \$	Sponsor:	1,000 \$ or more

Use of donation:

- I have no preference as to PhilinCon's use of this donation.
- I would like this donation to be used for the following project(s):
- Livelihood projects (\$400 – 800 per project)
 - Forest rangers (\$1,500 per forest ranger per year)
 - Hornbill nest guards (\$10 per Community Conservationist per month, Nest Guard \$16 per saved nest)
 - Wildlife rescue centers (\$1,750 per center per year; there are three centers)
 - Biodiversity research projects (\$200 – 400 per project)

Notes on donations:

- Donations can be made in Philippine Pesos, U.S. dollars, or any other currency immediately convertible to Philippine Pesos or U.S. dollars
- You can donate to “**PhilinCon**” by sending a cheque to one of the addresses below, use our PayPal button, or send an amount to our PayPal e-mail address Eberhard.Curio@rub.de. Donations from both Philippine and US taxpayers are tax-deductible. To get a donations receipt, please send us this form with your donation to one of our office addresses, see below, or mail it to Eberhard.Curio@rub.de.

For donations of 50 \$ or more:

- Please send me a tax-deductible donations receipt to the address given below
- I do not need a donations receipt

Please understand that we cannot send donations receipts for smaller amounts donated because the postal and labour costs would exceed the benefit for the project.
