FREQUENTLY ASKED QUESTIONS

Q. What is the minimum quantity we can order?

A. The minimum order is 36 pieces.

Q. What if we want to reorder?

A. We will gladly accept reorders with a minimum of 36 pieces.

Q. What about left over inventory?

A. There is none! Every ceramic item is specially imprinted. Money is collected at the time of the sale. You have zero risk unless you decide to order extra.

Q. Should we order extra's?

A. In spite of the fact that you have given them 5 opportunities to order, you almost always need more. There always seems to be someone who wanted one but didn't order. You would have to decide on how many (if any) based on your knowledge of your congregation.

Q. What is the turn around time for our plate order?

A. You can expect to receive your order from 2 - 3 weeks after your approval of the artwork and copy.

Q. Can we mix the plates?

A. All the plates need to be the same style and imprint.

Q. Can we put a history of the church on the back of the plate?

A. Yes, up to 100 words (additional charges apply).

Q. Can we order Plates and Bells or Ornaments?

A. As long as you have a minimum of 36 of each item you can order as many items as you like.

Q. What should we put on our plate?

A. Most plates feature a picture of the church, however many show the sanctuary or a picture of the Pastor. If it's an old church that has moved sometimes they picture the new church with an inset of the old church.

Q. How do we submit artwork?

A. Submit a 5 X 7 (or 8 X 10) Glossy photo for us to scan. If you already have it digitized, submit it on CD in a tif or eps format at at least 300 dpi. As this is a digital reproduction we can remove things (like telephone poles) but will have to see the photo first to advise what we can do. Additional art charges for computer time will be required.

Q. Can this be an ongoing project?

A. Yes. Make them available to new members, old members who have moved away or to new couples when they are married in the church.
