If you are planning on siting a waste disposal bin on City property, please obtain a "License for Street Use or Occupancy" from the City. The form is available from the City's website at www.Kimberley.ca. (<https://kimberley.civicweb.net/Documents/DocumentList.aspx?ID=847>)

Personal Information is collected in accordance to, and is protected under, the City's Privacy Policy and the Freedom of Information and Protection of Privacy Act (FOIP). If you have any questions about the collection and use of the information, contact the FOIP Co-coordinator at the City of Kimberley 250-427-9659.

Application Checklist

- ☐ **Floor Plans to include:**
 - Existing Layout and Proposed Demolition
 - Area of Existing (m²/ft²), and Demolition Area (m²/ft²)

- ☐ **Plot/Site Plan:**
 - Location and Sizes of Existing Structures
 - Denote structure to be Demolished with Area (m²/ft²)

Prior to demolition, the owner/contractor is to liaison disconnection of water and sewer services with the City of Kimberley Operations Services Department. All waste materials associated with the demolition, including all concrete, are to be properly disposed of at the Regional Landfill located 12km north of Cranbrook on Hwy 93/95 – and not at the nearest transfer station. All voids, holes and excavations are to be filled with the material similar to that indigenous to the surrounding soils and to be left level, clean and tidy. The site must be safe for the workers and the public during the entire course of the demolition.

Upon completion of the demolition, the owner and/or contractor is to arrange for a final on-site inspection with the Building Official to review all compliance items noted above.

Plot Plan/Floor Plan
