

STUDENT FEEDBACK TO TEACHER (no name please—just check one box next to each statement)

	Never	Sometimes	Often
Does your teacher tell you what is expected before you start an assignment?			
Do you compare anonymous pieces of work to understand what makes a good assignment?			
Does your teacher ask what you have learned at the end of a lesson?			
Does your teacher choose students at random to answer questions?			
Does your teacher wait three seconds after asking a question to give everyone a chance to think?			
Does your teacher wait three seconds after a student answers a question to allow that student to give a fuller answer?			
Does your teacher ask all students to answer a question at the same time?			
When your teacher grades an assignment, do you get comments that help you improve?			
Do you give feedback to other students?			
Do you work with others in a group to try to help everyone improve?
