Plus, we'll hit the most fun place to dine in Branson – The Dixie Stampede Dinner & Show. Highlighted by 32 magnificent horses, a talented cast of trick riders, hilarious racing pigs, a stampede of Longhorn steer, and a fabulous four-course feast, the Dixie Stampede is an unforgettable experience!

There are lots of opportunities to meet your favorite Disney characters and get a keepsake photo taken with them. At Disney's California Adventure® Park, discover the inspiring California that Walt Disney loved, from its storied past and natural wonders to its power to make your inner dreams come true. So, get ready to wake up in the middle of magic with your favorite Disney characters!

Hawaii: The Big Island & Dolphin Quest Hawaii is the place to make a lifelong connection with one of the grandest creatures of the sea. At Dolphin Quest, amazing face-to-face encounters allow travelers to get in the water and touch these gentle, magnificent beauties. And there's so much more to experience on the Big Island tour featuring the resounding Rainbow Falls, Hawaii Volcanoes National Park and the entertainment, shopping, culture and cuisine along the Kona Coast. You'll stay in private condos right on the beach with stunning views of the ocean for dolphin, turtle, and whale watching. Swimming, snorkeling, waterside feasts and hula dancing await travelers. Aloha!

Hawaii Cruise The people of Hawaii are eager to share their beautiful islands with you. Cruising around the Hawaiian Islands (the birthplace of surfing and the hula) includes swimming, playtime on the beautiful beaches, and traditional island music and festivities. We'll dock at 3 different islands with shore excursions that include everything from a luau in Kauai to a glass bottom boat cruise on the Big Island. Aboard the ship we will partake in all the specially planned activities including dancing and karaoke! But Hawaii's most-unique feature is its Aloha Spirit: the friendliness of the inhabitants that wonderfully complements the perfect temperatures. The warm embrace of the "Islands of Aloha" always lasts a lifetime.

Iceland: Land of Fire & Ice 🌀 Iceland is home to the largest glaciers in Europe, as well as some of the world's most active volcanoes, and is widely known as "The Land of Fire and Ice." Reykjavík, Iceland's capital, is a curious mix of high fashion and small hole in the wall stores featuring homemade souvenirs, clothes and jewelry. Take a train to the world famous Blue Lagoon where we'll go for a relaxing swim in the geothermal warm water filled with natural minerals. At the Golden Circle we can walk around the Geysir geothermal area, a geothermal field where hot springs are in abundance, geysers explode and pools of mud bubble. On our offshore whale-watching excursion we can catch sight of whales, dolphins, and seabirds in their natural habitat. We'll also stop by the magnificent Gullfoss waterfall and visit UNESCO World Heritage site, Thingvellir national park, considered one of the geological wonders of the world!

Knott's Berry Farm® & Universal Studios Hollywood 🌀 ♿ With over 165 rides, shows and attractions in five themed areas, Knott's Berry Farm® has it all when it comes to fun. Take a high thrills ride, stroll through the Park's Old West Ghost Town® or hang with the Peanuts Gang in Camp Snoopy! At Universal Studios Hollywood you'll find a full day of action-packed entertainment all in one place: thrilling theme park rides and shows, a real working movie studio, and Los Angeles' best shops, restaurants and cinemas at CityWalk. Both parks provide a unique experience that's fun for everyone!

Las Vegas 🌀 ♿* From round-the-clock casino action to headline shows, Las Vegas stands tall as the electrifying Entertainment Capital of the World. When not winning at the slots or lounging by the pool, travelers might enjoy catching wild attractions for animal lovers, gazing at the world-famous dancing fountains of Bellagio, watching the volcano erupt to music at The Mirage, or enjoying the panoramic view atop the 50-story Eiffel Tower replica at Paris Las Vegas. Each trip we will take in two shows featuring music, comedy and/or magic. Plus, travelers can visit Las Vegas Boulevard South, one of the world's greatest shopping streets where you're guaranteed to cross paths with Elvis and Michael Jackson!

Memphis & Elvis' Graceland 🌀 ♿ What's the second most famous home in America, after the White House? Its Graceland Mansion, home of the King of Rock 'n' Roll. See authentic Elvis Presley artifacts and mementos, amazing gold and platinum awards, custom airplanes, a car museum, and much more. Tour Sun Studio, where Elvis, Johnny Cash and Roy Orbison cut their first records and get your picture taken in the very spot these fine musicians once stood. Take a riverboat cruise down the Mississippi and bop to live music on Beale Street, the Home of the Blues and the Birthplace of Rock 'n' Roll. Let the good times roll!

Mexican Riviera Cruise 🌀 The magic begins the moment you step aboard your cruise ship. The Mexican Riviera Cruise takes you on a voyage along the gorgeous Mexican Riviera coastline. Your first Mexican port of call, Puerto Vallarta, is a charming cobblestone-lined city with a worldwide reputation for fun and shopping. Top that off with the gorgeous beaches of Mazatlan and you can easily see why these towns are Mexico's top tourist spots. Arriving in Cabo San Lucas you'll see dramatic rock formations and cacti adorning the landscape. At the tip of the peninsula sits one of nature's true wonders, the massive rock formation called El Arco at Land's End. Plus, there is plenty of time to enjoy the entertainment & fine dining that can only be found onboard the ship!

National Pro Rodeo Finals, Las Vegas 🌀 ♿ The Wrangler NPR is one of the hottest tickets in town! Held at the Thomas & Mack Center, it is also the most prestigious rodeo, deciding which cowboys will get to wear the gold buckle as world champion each year! See top finalists compete in: bull riding, bareback riding, calf roping, saddle broncs, team roping, steer wrestling, and barrel racing. At the amazing Cowboy Christmas Gift Show you'll shop for customized jewelry, western wear, boots and spurs, original art, handmade crafts, as well as official Wrangler NPR merchandise. It's bound keep even the most avid shopper entertained all day....probably for several days! Plus, no visit to Vegas is complete without a stop on the strip to try your luck at a casino!

New Mexico Balloon Festival & Santa Fe

October skies in New Mexico are painted bright as balloons lift off from Albuquerque's Balloon Fiesta Park. With 700 balloons, it is the largest ballooning event and the most photographed event on earth! A stop in Bandelier National Park is where spectacular 11,000 year old petroglyphs, dwellings carved into the soft rock cliffs, and standing masonry walls pay tribute to the early days of a culture that still survives. We'll tour Santa Fe, the oldest capital city in the USA, nestled high in the Rocky Mountains. The art scene spans ancient traditional art to the most contemporary, making it one of the largest and most important art markets in the country and a great place to shop! One of our most visually stunning destinations!

Oregon Camp

Get back to nature in the foothills of the Cascade Mountains, an area renowned for its beautiful mountain scenery, and pristine rivers. Your cabin on the peaceful Molalla River is the base camp for unlimited outdoor recreation. Splash in the sandy beach swimming hole, play a game of HORSE in the covered basketball court, enjoy frisbee golf in the sports field or try your luck on the ropes challenge course. Hike the lush trails, cast your line for an afternoon of fishing or make a souvenir at the arts and crafts table. And no camping adventure is complete without story telling, singing songs, dancing and eating s'mores around the campfire at night!

Pendleton Round-Up

Billed as the USA's best rodeo, the 100+-year-old Pendleton Round-Up includes parades, cowboy breakfasts, concerts, dancing and the spectacular Native American ceremony. And, oh yes, people also come in droves for the featured attraction, the legendary old-fashioned rodeo with its high-flying, bone-crunching events like bull riding, steer wrestling and bronco busting. As the old cowboy proverb says, "There never was a horse that couldn't be rode; never was a cowboy who couldn't be thrown." After visiting the museum at Tamastlikt Cultural Institute you will understand why Pendleton is known as The Real West.

South Dakota: Black Hills & Mt. Rushmore

South Dakota is the land of great faces and great places. Located in the Black Hills, the Mt. Rushmore National Memorial is a large-scale sculpture of America's most prominent Presidents carved into the granite hillside. Bison, pronghorn, coyotes, eagles and hawks are just some of the wildlife that can often be seen at the Badlands National Park, a must-see stop filled with painted canyons and photo opportunities. The Crazy Horse Memorial is the world's largest sculpture-in-progress, and frequent drilling and mountain blasts make each visit unique. When completed, it will stand 563 feet tall by 641 feet long! Plus, you can shop for Black Hills gold jewelry, handcrafted Sioux beadwork, leather and pottery, and original Western art with its origin on the Dakota prairie. You'll make memories of a lifetime during your vacation here!

Wisconsin Dells: Mt. Olympus Theme & Water Park

You'll be treated to the best indoor and outdoor activities, a cornucopia of fun, games and rides for everyone: bumper cars, water slides, a spectacular arcade and much more. Plunge into a mythic underworld on Hades 360°, the first all wooden roller coaster featuring the world's longest underground tunnel. Go-kart tracks will tempt with twists and turns through underwater tunnels and even into the belly of the Trojan horse. The water slides come in all shapes, sizes and speeds. Take a scenic cruise along the Wisconsin River for a perfect view of sandstone cliffs that seem to stretch up to the clouds. This region is famous for its many rock formations accompanied by equally engaging stories, from Native American legends to the Lost City of Newport, whose ancient site lies along the western banks.

Yellowstone National Park

Yellowstone is as wondrous as ever with magnificent landscapes, wildlife, and natural phenomena with thousands of hot springs and hundreds of geysers including the famous Old Faithful. Located in northwest Wyoming and sitting atop an active super-volcano, the park is an authentic wilderness experience: Grizzlies, wolves, bison and elk roam among 2.2 million pristine acres that include vast forests, grasslands and breathtaking canyons, waterfalls and lava formations. Meanwhile, you can view the dramatic Teton Range aboard a horse drawn wagon ride, shop in mountain stores for Western souvenirs, and attend the Bar-T-5 covered chuck wagon cookout complete with live country music!

Frequently Asked Questions

Q: What level of support do you provide?

A: Our support ratio is one chaperone for every 3 or 4 travelers. Trips Inc.™ chaperones assist travelers with medications, spending money, and prompts for bathing, hygiene, dressing and using the restroom. If your traveler requires any hands-on personal care for hygiene or medical reasons, they may need to bring a personal care provider for their safety and well-being. All our travelers are assessed before each trip to make sure they have the best support plan put in place for them to travel safely.

Q: Can we send a care provider with our traveler who has extra support needs?

A: Absolutely! We have many travelers who bring their own care providers. It is the traveler's responsibility to provide and pay for their care provider to go on the vacation. Care providers pay the same all-inclusive package price as the traveler. The traveler and their care provider will be upgraded to their own private room.

Q: Are your vacations wheelchair accessible?

A: Several of our trips are wheelchair accessible. Lift vans are also available at some destinations. Please note the symbols next to the vacation descriptions. If the traveler needs a wheelchair to keep up with the group, we can provide a Trips Inc.™ chaperone to assist them at an additional cost.

Q: How does a traveler get to their destination if they live in another state?

A: Trips Inc.™ has our own travel agent on staff who will arrange air transportation from your area to the vacation destination. Since we serve travelers from every state in the county, we will meet you at, or enroute to, our final destination. While the traveler does not need to navigate the airport on their own, they do need to be able to fly unaccompanied in some cases. Trips Inc.™ will set up gate transfers from the airlines for our travelers with flight connections. Airline gate assistance passes can be obtained to walk your traveler through security and directly to the gate and we will meet your traveler upon arrival at the final destination.

Q: How do I register for my trip?

A: Registering is easy! You can book a vacation on-line at tripsinc.com or fill out the registration form found inside this brochure. Once we receive the appropriate deposit you will be good to go. We accept Visa, MC and American Express (+3% credit card bank fee) or a personal check or money order.
