

SIXTH FORM ADMISSION POLICY 2017-18

St Aidan's Catholic Academy was founded by the Catholic Church to provide education for students of Catholic families. The school is conducted by its governing body as part of the Catholic Church in accordance with its trust deed and articles of association, and seeks at all times to be a witness to Jesus Christ. Whenever there are more applications than places available, priority will be given to Catholic students in accordance with the oversubscription criteria listed below.

As a Catholic school, we aim to provide a Catholic education for all our pupils. At a Catholic school, Catholic doctrine and practice permeate every aspect of the school's activity. It is essential that the Catholic character of the school's education be fully supported by all families in the school. All parents (see note 10) are therefore expected to give their full, unreserved and positive support for the aims and ethos of the school. This does not affect the right of a parent who is not of the faith to apply for a place for their student at the school.

The governing body is the admissions authority and has responsibility for admissions to this school.

The admission policy criteria will be dealt with on an equal preference basis.

Published Admission Number

The sixth-form is available for all existing pupils subject to pupils fulfilling the individual requirements of suitable courses. Remaining places in the sixth-form of the school will be offered in accordance with the oversubscription criteria, subject to applicants fulfilling the individual requirements of suitable courses.

The governing body has set its admission number at 30 pupils to year twelve for external applicants to the sixth-form in the school year which begins in September 2017.

Students with an Education, Health and Care plan or a statement of Special Educational Need
Students who have an Education, Health and Care (EHC) plan or a statement of Special Educational Need where the school is named as the most appropriate educational setting for the student will be admitted.

Application Procedures and Timetable

To apply for a place at this school, the parent must complete an application form available from the school. The parent will be advised of the outcome of the application by the school.

If the parent is required to provide supplemental evidence to support the application (e.g. a baptismal certificate), this evidence should be provided at the time of application. If not provided, evidence may be sought by the governing body following the closing date for applications. This information must have been correct at the date of closing for applications.

All applications will be considered at the same time and after the closing date for admissions which is 28 February (NB – if not over-subscribed, late applications may be accepted).

Admission of Students outside their Normal Age Group

A request may be made for a student to be admitted outside of their normal age group, for example, if the student is gifted and talented or has experienced problems such as ill health.

Any such request should be made in writing to the headteacher of the school. The governing body will make its decision about the request based on the circumstances of each case and in the best interests of the student. In addition to taking into account the views of the headteacher who has statutory responsibility for the internal organisation, management and control of the school, the governing body will take into account the views of the parents and of appropriate medical and education professionals.

Waiting Lists

In addition to their right of appeal, applicants will be offered the opportunity to be placed on a waiting list. This waiting list will be maintained in order of the oversubscription criteria set out below and not in the order in which applications are received or added to the list. Waiting lists for admission will operate throughout the school year. The waiting list will be held open until the last day of the summer term. Inclusion on the school's waiting list does not mean that a place will eventually become available.

In-Year Applications

An application can be made for a place for a student at any time outside the admission round and the student will be admitted where there are available places. Applications should be made to the school by contacting contactus@staidanscatholicacademy.co.uk or by post to Admissions, St Aidan's Catholic Academy, Willowbank Road, Ashbrooke, SR2 7HJ. Parents will be advised of the outcome of their application in writing.

Where there are places available but more applications than places, the published oversubscription criteria will be applied.

If there are no places available, a request can be made that the student is added to the waiting list (see above).

Right of Appeal

Where a parent has been notified that a place is not available for a student, every effort will be made by the local authority to help the parent to find a place in a suitable alternative school. Parents who are refused a place have a statutory right of appeal. Further details of the appeals process are available by writing to the chair of governors at the school address.

Fair Access Protocol

The school is committed to taking its fair share of students who are vulnerable and/or hard to place, as set out in locally agreed protocols. Accordingly, outside the normal admission round the governing body is empowered to give absolute priority to a student where admission is requested under any local protocol that has been agreed by the governing body for the current school year.

The governing body has this power, even when admitting the student would mean exceeding the published admission number.

False Evidence

The governing body reserves the right to withdraw the offer of a place where false evidence is received.
