NAPLES, Fla.--(BUSINESS WIRE)----Industrial Nanotech, Inc., ([INTK](#) - **news**) , an emerging global leader in nanotechnology, announced today that Aktarus S.r.l., a commercial insulation company, has signed as an Exclusive Distributor for Italy and placed an initial order worth approximately \$100,000.00 US.

"Aktarus first began working with Industrial Nanotech as a non-exclusive independent representative in Italy," states Francesca Crolley, VP of Operations and Marketing for Industrial Nanotech, Inc. "Based on their early success selling our products in the region, they made the decision to purchase the exclusive right to distribute our products in Italy and have placed this substantial order. We are pleased with the continued rapid revenue growth in the international markets."

### About Nansulate(R)

Nansulate(R) is the Company's patented product line of specialty coatings containing a nanotechnology based material and which are well-documented to provide the combined performance qualities of thermal insulation, corrosion prevention, lead abatement, and resistance to mold growth in an environmentally safe, water-based, coating formulation. The Nansulate(R) Product Line includes both industrial and residential coatings. Nansulate is a "green product", environmentally safe and providing energy savings.

### About Industrial Nanotech
