

Discover Delmarva's Hidden Treasures in Wicomico County!

Special geocaches have been hidden at 20 sites around Wicomico County. The sites highlight some of the historic treasures that make Wicomico County special. When you discover one of these 20 geocaches, record the Site, Date, and Codeword (found on the logbook and cache container) in this passport and take a photo of yourself near the cache location. Do not take a picture of the cache container nor the hiding spot! The first 200 cachers who find and record at least 16 WGD 2013 geocaches will receive a beautiful, commemorative, trackable geocoin. Good Luck!

Wicomico Geocache Dash Guidelines:

- ~ To retrieve the coordinates and other location information for the geocaches, log on to www.geocaching.com. A basic membership is free!
- ~ Search for the 20 caches online by GC code or use the "Cache Starts with" and "WGD 2013". A Bookmark List will be created on the day that the caches publish.
- ~ Locate at least 16 of the 20 caches. Record the codeword from each of the caches on your passport.
- ~ Take a picture of yourself at the cache location and post it to the corresponding Geocaching.com cache page. You may cache in groups, however, your log must include a picture of you. Only on June 8: finders will not be required to post their logs and photos online before qualifying for the geocoin.
- ~ Bring your completed passport to the Wicomico Geocache Bash event (GC4337P) on June 8, 2013 or after that date to:
