

COMMITTEE

The UNICO Memphis Chapter Foundation an IRS recognized 501c3, has teamed up with the Italian Festival, Holy Rosary Men's Club, Neighborhood Associations and a group of Business Leaders to relocate the Columbus Statue from Columbus Park downtown to Marquette Park, home of the Italian Festival. The Memphis City Council has worked diligently with our committee and endorsed the move.

The original dedication of Columbus Park was in 1987 on a small plot of land at Adams and Third Street. Since that time, repairs are needed to bring the statue back to its original grand appearance.

The restoration of the Christopher Columbus Statue and the relocation to Marquette Park will serve two purposes: There will be added visibility to the general public on a daily basis, not to mention the tie in with the Italian Festival and the new design will become an educational tool for area schools.

COLUMBUS STATUE IS MOVING TO MARQUETTE PARK

Above is a bird's eye perspective of the statue area showing the raised country of Italy and the surrounding context.

With your generous donation the Columbus Statue will be refurbished and relocated to Marquette Park. Its new home will be on the Park Avenue side of Marquette Park. This prominent location will add a great new attraction to the park and it will become another focal point for the Italian Festival.

The new innovative design will have a raised platform in the shape of Italy, colored lighting, provide comfortable seating, and serve as an outdoor classroom for educational purposes.

The goal is to have the Statue in place by the end of May 2014, in time for the Italian Festival. **Please don't delay, DONATE TODAY!**
