Quick Reference Guide for Site License Users

Pediatric Care Online™

One site. One log-in.
Your favorite device.

Pediatric Care Online™ gives you **MORE** of the trusted answers you and your patients expect, with a greater combination of content from the ultimate resource—the American Academy of Pediatrics.

When you want fast access to essential pediatric-specific medical information and premier patient education materials for parents, *Pediatric Care Online™* gives you everything you need.

What is *Pediatric Care Online™*?

Pediatric Care Online™ is a comprehensive resource from the American Academy of Pediatrics (AAP), an organization of more than 62,000 board-certified pediatrician members dedicated to the health of all children. It combines essential clinical information with practical point-of-care resources and a complete patient education library.

How do I access *Pediatric Care Online™*?

When your practice or institution subscribes to *Pediatric Care Online™*, your access is automatically “authenticated” by your computer’s Internet address, your intranet, or some other method. If you click **Sign In** on the upper right of the screen and see **“Access Provided By:”** followed by your organization’s name, your session is authenticated. If you have questions about how to access *Pediatric Care Online™* through your organization’s subscription, please contact your librarian or administrator.

What can I access through *Pediatric Care Online™*?

Your subscription to *Pediatric Care Online™* gives you **full access** to

- *Pediatric Care Online™*
- *Red Book® Online*
- *Pediatric Patient Education™*
- Plus the downloadable mobile app

How do I use *Pediatric Care Online™*?

The **quickest way to find content is via search**. Search results are displayed differently depending on whether you use the search box on the upper right, or the search box under the *AAP Point-of-Care Solutions™* header; experiment to see which display you prefer. Remember, as a *Pediatric Care Online™* subscriber, you have access to *Red Book® Online* and *Pediatric Patient Education™* as well. And all content is easily accessible via the homepage, the top navigation menu, and the footer links.

Pediatric Care Online™

Treat with confidence. Trusted answers from the American Academy of Pediatrics.

Should I sign in?

Your access to the online site is authenticated, so sign-in is optional. If you choose to sign in with your individual AAP Login and Password while authenticated, you enable yourself to 1) sign in remotely and 2) download the mobile app content.

What if I don't already have an individual AAP account?

Click on **Sign In**, then click on **Create account** and follow the prompts.

How do I get the mobile app?

When your session is authenticated or you are signed in, The responsive design of the *AAP Point-of-Care Solutions™* online platform **adjusts automatically to your device**; and downloadable mobile apps are also available for Apple and Android devices.

The *Pediatric Care Online™* app features **search, browse, and bookmarking** of the Quick Reference, Well-Child Resources, and more. The app also includes the complete AAP *Red Book®* app with the full current edition of *Red Book®*, the Visual Library, and other key infectious disease resources.

- First **download the free *Pediatric Care Online™* app** from the iTunes App Store or Google Play.
- Then **open the app and sign in** with your individual AAP Login and Password to unlock the content. Depending on the speed of your network and device, the initial content download can take up to 10 minutes.

How can I stay in touch?

- Access *Pediatric Care Online™* regularly.
- Sign up for **eAlerts** on the home page, between News and Image of the Day.
- Like *Pediatric Care Online™* on **Facebook** at **www.facebook.com/aapco** 
- **Ask questions** or **provide feedback** at **<http://pediatriccare.solutions.aap.org/contact.aspx>**.

How can I get help and technical support?

- Learn more at the **About** and **Help** links at the bottom of each page of the site.
- Contact our Customer Service Center at **csc@aap.org** or **888/227-1770**.
- Visit our KnowledgeBase at **<http://kb.aap.org>**.
