

St Raphael's School | 2014

Mission Statement

Rationale

A mission statement explains why we exist and helps us to determine our direction. It focuses our school on the future and provides a template for decision making throughout the school. It needs to be developed, understood and lived by the whole school community.

Mission Statement

St Raphael's School is a dynamic community, inspired by Jesus where students are encouraged to be active learners and global citizens.

Implementation

After formulating our mission statement we selected these values that would become a focus for our school.

School Values

Our School's values are Respect, Equality and Compassion

- M** made in the image of God
- E** equality
- R** respect
- C** compassion
- Y** yearning to understand
