

Dear Parents:

Your child has now reached one of those many milestones that will take them into the next season of their life. As parents we have so many great memories of their school years. We would like to offer you the opportunity to create a lasting legacy and visible memory, by purchasing a 4 x 8 or 12 x 12 engraved brick to be installed at the Curtis Culwell Center. Order forms are attached. The deadline to get orders in is May 8 so they can be installed before graduation.

This makes a great graduation gift from relatives or parents. The graduation ceremonies are held at the [Curtis Culwell Center](#) which gives you the opportunity to have your student's picture made by their brick as well as have family and friends see the lasting mark of their education. This will be a great investment and your student will be able to come back and see their engraved brick for many years and reflect on their school years with Garland ISD.

If you wish to place an order just fill out the attached forms and mail to the address at the bottom of the form. If you have further questions please contact Pam Parks, 972-487-3254 or visit the [Garland ISD Education Foundation](#) website.
