

## Canoe Rental Program

Need canoes for your Troop or Crew outing? The Council has 12 Old Town canoes available only to registered Troops and Crews. Included with each canoe are 2 paddles and 2 life jackets. Rent 6 canoes and the Council will provide a canoe trailer as well. All rental fees will be used to replace and repair older canoes. Rent a canoe with paddles, life jackets and a trailer for a week-end and enjoy two days of canoeing for half the cost of most outfitters. Canoes must be picked up and returned to the Scout Reservation.

### Canoe Rental Agreement

- Canoes are available to members of Boy Scout Troops and Venture Crews of the Heart of Virginia Council.
- Each member must be a swimmer and have attended at least one hour of canoe safety instruction as outlined in the Canoeing merit badge pamphlet. Knowledgeable and responsible adult leadership must be listed on the reservation form and accompany the expedition.
- If request is granted, the Troop/Crew accepts full responsibility for repairs or replacement of damaged or lost equipment, including canoes and trailer. The unit will pay the cost of restoration, or at their option, replacement. Units agree to pay \$12.50 for each life jacket and \$12.00 for each paddle not returned in usable condition.
- Units will need standard trailer hitch and electrical hook-up (1 7/8" or 2" ball)
- We understand that canoes rented from the Council are due back at the Scout Reservation within 24 hours of the last rental dates.
- Canoes are rented by the week-end for only \$15.00 each. (Long-term rental by special arrangement)
