

22 October 2014

Dear Parents and Caregivers

Our yearly magazine is nearing completion. It is a great memento of your child's wonderful year at school.

This year the magazine features an alphabet of interesting days celebrated throughout the year at Pottsville Beach Public School and is full of colour photos, information and events of our school during 2014.

The cost will be \$13.00 each to cover the cost of printing. We are taking orders now on the order form with this newsletter. Please order your magazine to ensure you don't miss out. Orders close 7 November 2014.
