Our Community Values Contract

As a class, we decided on the following school expectations today:

- 1) _____
- 2) _____
- 3) _____
- 4) _____
- 5) _____

In our class, all students participate in our "Excellent Choices" behavior plan based on our color chart. Students who choose to follow the class rules will receive a star each day, and they will participate in the "Friday Reward." If students make a poor choice, they will receive a warning. Continued misbehavior will result in a consequence.

If a student needs to reflect upon his or her behavior choices, he/she will be asked to complete a "Think Sheet" to help remedy the situation. In order to create a partnership between home and school in regards to behavioral expectations, Think Sheets need to be signed by a parent or guardian. I am confident that our behavior plan will ensure that every student finds our classroom a safe and comfortable environment in which to explore and learn. Please sign this page and return it with your child to school tomorrow. Thanks!
