**Here is a great way to support your child's education and have a chance to win great prizes?**

Your purchase of a **Centennial Education Foundation 2016 Jackpot Calendar** will support funding for our student grant programs and your Home and School Association. Each student is bringing home two (2) calendars. Calendar money and stubs must be returned to your child's teacher. Checks should be made payable to: **Centennial Education Foundation**. For every calendar sold by a Home and School Association, that organization will receive \$1.00.

There are prizes listed on the calendar for each day during the month of March. All winning tickets drawn will be returned to the barrel for the remaining drawings. You have 60+ chances to win. Winners will be drawn each Friday and contacted by phone or email. Deadline to pick up prizes is April 15th.

CEF extends a special thank you to our contributors for their generosity. Businesses, teachers, administrators, individuals, parents and community partners have donated prizes. We also want to acknowledge and thank the Home and School Associations for their support and partnership and Dr. David Baugh and Centennial School District for their support for this event.
