

INNOVATION WORKSHOP The Technology Behind the Tile

Schluter-Systems Training Center

194 Pleasant Ridge Road, Plattsburgh, NY 12901

**January 22-24, February 26-28, May 21-23, June 25-27,
October 1-3, November 19-21, 2013**

Join our technical experts for a free Innovation Workshop, where you will learn about the latest state-of-the-art installation solutions for ceramic and stone tile.

This 2 - 1/2 day course consists of both classroom and hands-on instruction and tour of our facility

SHOWER SYSTEM

Discover the Schluter®-Shower System, an integrated family of products that create fully waterproof and vapor tight solutions for tiled showers, steam showers, and bathtub surrounds.

DITRA & DITRA-XL

Find out about the four essentials for successful tile installations, and how Schluter®-DITRA and DITRA-XL produce tiled floors that last a lifetime.

KERDI-BOARD

Find out more about Schluter®-KERDI-BOARD, our substrate and building panel that's lightweight and waterproof, and is perfect for tiling.

PROFILES

Say goodbye to ceramic trim pieces, and discover Schluter profiles, which protect tile installations on floors, walls, stairs and countertops.
