#### *Policy on Equipment Deliveries & Pick-ups*

*Customer is responsible for the equipment once it has been delivered & until it has been picked up. The customer should always take whatever precautions necessary to protect & secure the equipment until it is picked up. Calling an item off rent does not relieve the customer of this responsibility, it simply stops any additional rent from accruing. When you are ready for pick up, make sure you call us and get your "Call Off Rent Code" which will stop the rent and verify the date & time you called. This will minimize your rental charges which continue to accrue until this is done. We make every effort to get items picked up within (3) business days of the time they have been called off rent. If this has not happened, please notify us immediately so we can properly address your situation.*

## *Damage Waiver Coverage*

*Dear Customer,*

*Due to numerous requests from our customers, we at NICKELL EQUIPMENT RENTAL & SALES are pleased to offer an Equipment Protection Plan. This plan is called Damage Waiver Coverage (DWC), and this is how it will benefit you. You will not be held liable in the event that the equipment you are renting is damaged during normal use or because of an accident. Only damage due to customer neglect, misuse, or abuse is excluded from this coverage. All you have to do is return the damaged or broken items to us immediately. This plan does not apply to lost or stolen items.*

*The cost of this protection plan is 12% of the total rental for all rented equipment. When comparing our "Damage waiver Coverage" plan to the replacement cost of broken or damaged equipment, we believe that you will find this charge to be nominal.*

*NOTE: Please indicate on the attached credit application whether or not you wish to take advantage of this protection plan. Should you have any questions regarding this or any other issue, please feel free to contact us.*

**THANK YOU FOR CHOOSING NICKELL EQUIPMENT RENTAL & SALES!!!**

*Sincerely,*
