### BUREAU OF WORKERS' DISABILITY COMPENSATION

## R408.43q - EFFECTIVE MAY 11, 1999

# R 408.43q Irrevocable letter of credit; acceptance; requirements; payment of surety bond or letter of credit.

Rule 13q. (1) An irrevocable letter of credit may be accepted by the bureau as other security for a self-insured program as provided by section 611(1)(a) of the act. The bureau will retain discretion in each particular case to determine if the letter of credit is acceptable and if its language and format are satisfactory.

- (2) Irrevocable letters of credit shall be issued by or confirmed by a state-chartered Michigan bank or a federally chartered bank with a Michigan branch office. Funds shall be immediately payable on demand. Confirmations shall state that the confirming bank is primarily obligated on the letter of credit.
- (3) An employer who elects an irrevocable letter of credit as other security for a self-insured program shall furnish a memorandum of understanding with the letter of credit, on a form provided by the bureau, which affirms the employer's acceptance of all of the following requirements:
- (a) A letter of credit is furnished to the bureau instead of a surety bond as one of the requirements for approval of a self-insured program.
- (b) The employer understands that the letter of credit shall be deemed automatically extended without amendment for 1 year from the expiry date or any future expiry date unless, 60 days before any expiry date, the bureau is notified, by courier, certified or registered mail, that the letter of credit shall not be renewed for any additional period.
- (c) A policy of insurance or a surety bond of equal amount may be furnished at a later date as a substitute for the letter of credit if the policy of insurance or surety bond covers all claims that would have been covered by the letter of credit. All policies of insurance and surety bonds furnished as substitutes for letters of credit are subject to prior bureau approval.
- (d) The employer shall affirm that the irrevocable letter of credit in the amount requested by the bureau is being offered with the understanding that if the bureau receives notice that the letter of credit will not be renewed, then the bureau, in its discretion, may, after 30 days from the date of receipt of the notice, call the proceeds of the letter of credit and deposit the proceeds in the state treasury. And further, if, in the judgment of the bureau, the letter of credit is needed to cover any worker's disability compensation claims, then the proceeds of the letter of credit shall be called immediately and deposited in the state treasury for such purpose.
- (e) If legal proceedings are initiated by any party with respect to payment of any letter of credit, then it is agreed that the proceedings shall be subject to Michigan courts and law.
- (4) The bureau shall not grant an effective date for a self-insured program until a completed letter of credit and the memorandum of understanding have been reviewed and accepted by the bureau.
- (5) If it is necessary for the director, under statute and bureau rules, to call the bond or other security, then a trust shall be established with the funds, unless the provider of the bond or other security elects to handle the claims directly and the bureau approves. If a trust is established, the funds shall be deposited in the state treasury and the state treasurer, as provided by section 551(7) of the act, shall be the custodian of the trust. The trustees of the trust shall be the trustees of the funds denominated in chapter 5 of the act and also those who are appointed as trustees under section 511 of the act. The service company of the self-insured employer, if any, shall continue to perform in accordance with the terms of the employer's contract with the service company.
