# Amended Nebraska Individual Income Tax Return for Tax Year 2017

This Form 1040XN can **only** be used when amending tax year 2017.  
Do not use Form 1040XN to change the amount of use tax reported (see instructions for line 44 below).

## When to File

Form 1040XN is filed when:

- ◆ The 2017 federal income tax return, or another state's 2017 income tax return, is amended or corrected; or
- ◆ The information on the 2017 Nebraska income tax return that was previously filed is not correct.

Form 1040XN may only be filed after an original Nebraska income tax return has been filed using Form 1040N.

An amended Nebraska income tax return must be filed within 60 days after filing an amended federal income tax return, or after an IRS correction becomes final. A correction is final, even though the taxpayer and the IRS are still contesting the amount due, when one or more of the following has occurred:

1. The taxpayer has paid the tax;
2. The taxpayer has accepted the examining officer's findings;
3. The IRS has approved a closing argument; or
4. A court decision has become final.

An amended Nebraska income tax return reporting a change or correction to another state's income tax return must also be filed within 60 days after the amended income tax return is filed with the other state, or the correction becomes final.

To establish timeliness of the refund claim, attach **dated** copies of:

- ◆ The federal claim for refund;
- ◆ The IRS audit determination; or
- ◆ The amended federal or state income tax return.

**Filing 1040XN to Claim a Credit or Refund.** Unless otherwise provided by statute:

- ◆ When claiming a credit or refund due to overpayment, Form 1040XN must be filed –
  - ✓ Within three years of the due date, the actual date of filing under an approved extension, or the date the original income tax return was filed; or
  - ✓ Within two years from the time the tax was paid;whichever is later.
- ◆ When claiming a credit or refund of a refundable credit, Form 1040XN must be filed within three years of the due date, or the actual date of filing under an approved extension of the income tax return for the year in which the refundable credit was allowable.
- ◆ Form 1040XN must be filed to claim a refund resulting from a federal or state change within two years and 60 days following the final determination of the change (but not more than 10 years from the due date of the original income tax return in the case of a change made by another state).
- ◆ If you file an amended federal income tax return past the statute of limitations, do not submit the Nebraska amended income tax return until you can attach proof of federal acceptance.

A hearing may be requested when filing for a refund on Form 1040XN by writing the request in the Explanation of Changes section of the form.

**Protective Claim.** An amended Nebraska income tax return filed as a protective claim is not required when an amended federal income tax return has been filed as a protective claim. The payment of a refund by the IRS on a protective claim is a federal change that must be reported within 60 days of the refund.

**Nebraska Net Operating Loss (NOL).** When carrying back a Nebraska net operating loss, you must attach a copy of the completed [Nebraska Net Operating Loss Worksheet, Form NOL](#), and a copy of either Federal Form 1045 or 1040X and all supporting schedules. The Nebraska Net Operating Loss Worksheet, Form NOL, must be completed for the loss year and retained in your records until the loss is used. When the loss is used, you must attach a Form NOL for each previously established loss year being used. Any federal NOL deduction is entered on line 1 of Schedule I, Form 1040XN, and the amount of the Nebraska NOL deduction is entered on line 8 of Schedule I.

**Amending an E-filed Return.** E-filed income tax returns are amended by filing a paper Form 1040XN. Amounts and other information needed for completing the amended income tax return should be available on saved or printed copies of the original Form 1040N return. If help is needed in completing the amended income tax return, contact Taxpayer Assistance (see contact information).

**Taxpayer Assistance.** Department taxpayer assistance offices are located in Lincoln and Omaha. The Omaha office is open from 7:30 a.m. until 4:30 p.m., Monday through Friday. The Lincoln office is open from 8:00 a.m. until 5:00 p.m., Monday through Friday. You may call for taxpayer assistance, by dialing 800-742-7474 (from within Nebraska and Iowa), or 402-471-5729. Visit the Department's website for additional information.

**Confidential Tax Information.** Confidential tax information will be released only by a return telephone call, after the caller's identity has been established. A representative of a taxpayer requesting confidential tax information must have a [Power of Attorney, Form 33](#), on file with the Department before any information will be released. An income tax return signed by the preparer is considered a limited power of attorney authorizing the Department to release only the information contained on that tax return to the tax preparer.

## Specific Instructions

### Line 1

**Federal Filing Status.** The Nebraska filing status can only be changed when the federal filing status has been changed. Exceptions are made when a married, filing jointly federal income tax return was filed and the residences of the spouses are different.

Spouses' residences are different when, during all or some part of the year, one spouse is a Nebraska resident and the other spouse is a nonresident at the same time. A couple with different residences may file original returns with Nebraska on either a married, filing jointly basis or a married, filing separately basis.

A couple, with different residences, who has filed separate Nebraska returns may elect, either before or after the original return is due, to file a married, filing jointly return in Nebraska. They are then taxed as though both were Nebraska residents during the time either was a resident.

A couple with different residences who originally filed a married, filing jointly Nebraska return and wish to amend to married, filing separately returns must satisfy the following conditions:

1. Both spouses must file a separate Nebraska return with a "married, filing separately" status.
  - ◆ The spouse whose Social Security number was listed first on the original return must file this [Amended Nebraska Individual Income Tax Return, Form 1040XN](#).
  - ◆ The spouse whose Social Security number was listed as the spouse on the original return must file a [Nebraska Individual Income Tax Return, Form 1040N](#).
2. A copy of the actual federal married, filing jointly return and copies of federal returns recalculated on a married, filing separately basis must be attached to each of the spouse's returns.
3. Each Nebraska return as required in "1" above, must include the full name and Social Security number of the other spouse.
4. Both spouses must sign each Nebraska return as required in "1."

**Line 2**

Check the appropriate boxes if you or your spouse:

- ◆ Were 65 or over during the tax year;
- ◆ Were blind; or
- ◆ Could be claimed as a dependent on another person's return.

**Line 3**

**Type of Return Being Filed.** Residency is determined by using Form 1040N instructions and the information guide, [Determining Residency Status for Nebraska Individual Income Tax Filing](#). Eligible credit cards include American Express, Discover, MasterCard, and VISA. A convenience fee (2.35% of the payment, \$1 minimum) is charged to the card you use. This fee is paid to the credit card vendor, not the state, and will appear on your credit card statement separately from the payment to the Department. At the end of your transaction, you will be given a confirmation number. Keep this number for your records. If you are making your credit card payment by phone, you will need to provide the Nebraska Jurisdiction Code, which is 3700.

## Nebraska Schedule II Instructions

A credit for tax paid to another state is allowed only for full-year Nebraska residents. A change on line 17, Total Nebraska Tax, Form 1040XN, requires Credit for Tax Paid to Another State, Schedule II, to be recalculated. If the amended Schedule II on the back of Form 1040XN is not completed, adequate supporting schedules must be attached.

If another state's return is amended or changed by the other state, Form 1040XN must be filed to report the change in the credit for tax paid to the other state. Attach a complete **dated** copy of the corrected return, including schedules and attachments, or a copy of a letter or statement from the other state or subdivision, indicating the amount of income reported and corrected tax paid. If the subdivision does not require that an income tax return be filed, attach a copy of the statement from the employer showing the corrected amount of income tax withheld. Failure to attach supporting documents may cause this credit to be disallowed.

Refer to the instructions on [Schedule II of Form 1040N](#) for more details on the calculation and limitations of this credit.

### Line 2

**AGI Derived From Another State.** If lines 2 or 5 on Nebraska Schedule II are changed, a complete **dated** copy of the corrected return filed with another state must be attached. If the entire return is not attached, credit for tax paid to another state will not be allowed.

**Partial-year residents** should enter Nebraska credit for the elderly or disabled or credit for child/dependent care expenses. See applicable instructions for lines 16, 20, 23, and 32 of Form 1040XN. Partial-year residents with federal AGI of \$29,000 or less cannot claim child care credit here and must complete the line 32, Form 1040N worksheet to calculate the amount to enter on line 32.
