

What is it?

Kids' Corner After School Program is a parent sponsored non-profit organization serving the Winchester community since 1982. The program provides quality enrichment programs to school age children after school, on all school days from September through June.

Where is it?

We are located on the lower level of the old Mystic School at 263 Main Street. Transportation is provided for students; however, parents are responsible for purchasing their own bus passes through Winchester School Department.

When Is It?

We operate after school on all school days from September through June. Kindergarteners have two options: 12:15-3:30 pm and 12:15-6:00 pm. We also operate on early release days. Special programs are available during February and April school vacations.

How Do I Sign Up??

Each child must enroll for a minimum of 3 early afternoon sessions per week. If you want your child to attend until 6:00 pm, he/she must be enrolled full time (5 days a week). Parents seeking less than 5 days can indicate that below. Preference will be given to families looking for full-time.

Kindergarten students enrolled in the extended session are given priority for the first grade slots.
