(c) Convenience checks are advances which can be used to pay for official travel expenses for:

- International invitational travelers (IIT) who are foreign citizens traveling on behalf of NOAA and who do not possess a U.S. bank account. IITs may use convenience checks to purchase lodging and any miscellaneous expense deemed necessary.

**301-51.8 How does the NOAA office obtain travel advances?**

The NOAA office can obtain travel advances one of the following ways:

(a) **Travel Advance:** The NOAA office will submit a travel advance form and a travel authorization to the servicing finance office. The travel advance will be deposited directly to the traveler's bank account within 2 - 3 days (notify your servicing finance office for direct deposit set-up); or

(b) **Convenience Check:** The office inviting the IIT will submit a travel advance form and a travel authorization to an imprest fund cashier who can issue a convenience check. Contact your servicing finance office for the location of an imprest fund cashier who can issue convenience checks. The imprest fund cashier will sign the Travel Advance (to indicate payment), to note that the advance was paid by convenience check, attach it to the Travel Authorization and forward both documents to the servicing finance office.

**Policy and Procedures for the Use of the  
Contractor-issued Government Travel Charge Card**

**B. RESPONSIBILITIES**

2(a). Directors, Financial Management Centers (FMC(s)) or their designee(s).

(1) Complete on-line cardholder training so that there is a basic understanding of the travel card program. This on-line training provides information on traveling for the Government and reviews how to use the travel card. Please visit our website for the on-line training:  
<http://www.rdc.noaa.gov/~finance/Citibank.htm>

(2) Ensure that all employees in your FMC who perform five or more official trips a year are issued the card, unless an exemption has been granted.

(3) Contact cardholders to provide acknowledgment statements when requested by the Agency Organization Program Coordinator (AOPC). An acknowledgment statement is a certification that the employee has read all applicable travel card regulations and will comply with all travel card policies. The acknowledgment statement must be submitted with the travel card application. Please visit our website to view a copy of the acknowledgment statement:  
<http://www.rdc.noaa.gov/~finance/citiacknowl.PDF>

(4) Advise employees to submit requests for reinstatement of canceled accounts to the Line Office Chief Financial Officer (CFO)/Management and Budget Chief, or Staff Office Director, which will be submitted to Citibank for approval. Cards are rarely reinstated when canceled by Citibank.

(5) Review each of the following monthly Total Business Reporting (TBR) reports issued by Citibank through the Citibank Electronic Reporting System (CERS):

**TBR 00100, Report Manifest** - Listing of all reports available.

**TBR 00210 (cycle), Account Listing** - An Alphabetical listing of cardholders within your respective FMC

**TBR 00230-01 (monthly), Forecast of Reissue** - Travel cards that are scheduled to be reissued. Note: travel cards are automatically reissued every two years.

**TBR 00230-02 (monthly), Forecast of Non-Reissue** - Travel cards that will not be reissued for various reasons, such as delinquency, terminated employees, travel card returned, etc.

**TBR 00320 (cycle), Account Cash Advance** - Listing of cash advances.

**TBR 00360 (cycle), Account Suspension and Cancellation**

**TBR 00361 (cycle), Account Presuspension and Cancellation**

**TBR 00370 (cycle), Declined Authorization Report** - Listing of purchases which have been declined. Travel cards may be declined for many reasons. The most commonly used codes follow:

**0006** *lost card; pending transfer* - Cardholder reported the card lost, and then found the card and tried to use it, but the account was closed.

**0031** *account coded (credit rating)* - card is either suspended or closed.

**0111** *invalid PIN* - invalid pin entered.

**0112** *exceeds ATM daily limit* - exceeds the daily amount authorized.

**0125** *invalid card verification value* - the 3 digit number on the back of the card is invalid.

**0134** *CRV status* - Cardholder never activated card.

**0207** *invalid expiration date* - merchant entered incorrect expiration date

**0048** *not enough money* - went over their authorized credit limit.

**0818** *exceeded account MCCG velocity menu* - exceeds the weekly amount authorized.

**0823** *MCCG include, no match* - Merchant Category Code not allowed.

**TBR 00401 (cycle), Detailed Account Cycle Report** - Listing of purchases and cash advances.

(6) Review **TBR 00210** and ensure that appropriate individual credit limits are established commensurate with the line office mission. Credit limits should be lowered, and rarely raised, on a case-by-case basis through your servicing AOPC. An e-mail from the employee's approving official must be sent to the servicing AOPC when credit limits are temporarily raised. The e-mail request must contain the employee's name, dates of travel and total amount needed. In emergency circumstances, credit limits can be increased by a request from an employee with a follow-up e-mail from the approving official.

(7) Review **TBR 00210** to decide which cards will be canceled. Cards that will rarely be used within a five year period should be deactivated by lowering the credit limit to \$1 (see #6 above). Deactivated cards are held in a temporary suspension until they are needed. Contact your servicing AOPC to reactivate travel cards. Cards that will not be used within a 5 year period should be canceled through your servicing AOPC via e-mail request.

(8) Review **TBR 00230-01** and **TBR 00230-02** to verify which cardholders should be reissued travel cards and which cardholders should not. **TBR 00230-02** will show cards that will not be reissued for various reasons. The code "T2 Return Mail" generally means that cardholder statements have been returned to Citibank due to a change of address. FMCs should inform travelers who appear on this report with a "T2 Return Mail" code to contact Citibank and either cancel their account or provide a new address. Citibank's customer service number is 1-800-790-7206.

(9) Review **TBR 00360** and **TBR 00361** and ensure that the employee's supervisor takes appropriate administrative disciplinary action when travel card accounts become delinquent, i.e., the account is past due 60 days or more. Currently, the servicing AOPC sends e-mail notifications to employees who appear on these reports, and their supervisors. The NOAA Travel Office prepares a monthly report of delinquencies which is sent to each Line Office CFO/Management and Budget Chief, or Staff Office Director for review. FMCs should maintain a record of any disciplinary actions taken, as well as the employee's response.

(10) Assist cardholders whose travel vouchers have not been authorized by approving officials in a timely fashion so that cardholders can make timely payments to Citibank. Travel vouchers must be submitted to the servicing finance office for payment within 5 working days after completion of travel, or every 30 days if in a continual travel status.

(11) Review **TBR 00320**, **TBR 00370**, and **TBR 00401** and ensure that employees are not misusing their travel card. Misuse is defined as using the travel card for personal use, e.g., using the travel card while not on official business and/or using the travel card to purchase personal items. Notify the employee's supervisor of any questionable or inappropriate charges. At the discretion of the FMC or the supervisor, the card may be revoked for misuse. See "Travel Card Misconduct and Corrective Measures at the following web-site:  
<http://www.rdc.noaa.gov/~finance/citimisconduct.pdf>.

(12) Prepare and submit to the servicing AOPC quarterly reports of disciplinary actions taken for cardholders whose accounts are delinquent or have been misused. The AOPC will review the FMCs' reports of disciplinary actions to ensure appropriate disciplinary actions were taken consistently for all NOAA FMCs. If appropriate disciplinary action is not taken, the reports will be forwarded to the Line Office CFO/Management and Budget Chief, or Staff Office Director for review. Negative reports are required.

Quarterly reports will be submitted in the following format:

**FMC Information:** FMC Contact Name, FMC Office Title, FMC Code, and Phone Number.

**Traveler Information:** Traveler's Name, Type of Misuse, and Disciplinary Action Taken.

Quarterly reports are due by COB January 15, April 15, July 15, and October 15 of each year and will be submitted to the appropriate AOPC. See #13 below. Reports must be retained for a one-year period before they are destroyed.

(13) Call your servicing AOPC if further interpretation of reports and/or further guidance is needed:

(i) All Line and Staff Offices, other than NMFS and NWS, will call (301) 444-2158,  
20020 Century Blvd, Suite 1C, Germantown, MD 20874  
Fax (301) 413-3066

(ii) NMFS employees will call (301) 713-1364 x148

Fax (301) 713-1441
