

EVALUATION FORM

The goal in producing this handbook has been to provide civil service and Commissioned Corps nurses with a practical, perpetual resource to facilitate their professional careers in the United States Public Health Service. Please take a few minutes to let us know if we have met this goal for you by filling out and returning the evaluation form in the back of the handbook.

Please return the evaluation by e-mail to the chair of the Professional Advisory Committee Communications Committee: krumlaum@cc.nih.gov,

OR via regular mail to the following address.

**USPHS Nurses' Resource Manual Evaluation
