

(Responsible Party)

I, , submit to USGBC the following innovation credit proposal for exceptional performance above the existing LEED requirements and/or innovative green building performance of a type that is not currently addressed within LEED:

Credit Title:

**For this innovation credit proposal, I have attached a sheet that succinctly identifies the following:**

- ☐ Intent of the proposed innovation credit,
- ☐ Proposed requirement(s) for compliance,
- ☐ Proposed submittal(s) to demonstrate compliance, and
- ☐ The design approach (technologies and strategies) that might be used to meet the requirements.

**I have also attached the following supplementary documentation to support the credit proposal:**

- ☐ Relevant submittals as evidence of compliance.
