Supporting Directive MILPERSMAN Article 1300-318

NAVPERS 1300/22 applies to all personnel mobilizing or filling a IAMM/OSA/GSA, group (i.e. established commissioned RC units) or individual processing, RC and AC. Commanding Officers must report suitability via BOL. (Refer to MILPERSMAN 1300-318). Complete within 30 days of DTG on orders. IAW MILPERMAN 1300-318, the CIAC must retain a copy of the completed NAVPERS 1300/21/22 for a minimum of two years.

Certain items delineated on the NAVPERS 1300/22 are required to be completed nearer to the detachment date from the parent command and thus, cannot be completed within the 30 day time frame. Commands must report suitability in BOL for all items that must be completed within the 30 day time frame. Commands must continue to track and ensure the member completes all remaining suitability screening requirements. In the event the member fails to complete all remaining screening requirements, commands will update BOL to reflect the unsuitability status.

NAVMED 1300/4 Medical/Dental Expeditionary Screening shall be retained in member's medical record. Member shall arrive at the NMPS with NAVPERS 1300/21 (Medical Suitability certification), Medical/Dental Record, and this Expeditionary Screening Checklist (NAVPERS 1300/22)
