

Certificate of Quality

Catalog Number 226-17-1A

Sorbent: Anasorb[®] C300 (SKC proprietary sorbent; performance comparable to Hydrar[®] and Carulite[®])
Tube Holder: Type A

**SKC is an ISO 9001 registered
manufacturing company.**

For compliance sampling, use these tubes as specified in a validated sampling method. It is the user's responsibility, employing a suitable method, to establish appropriate safety and health practices and to determine the applicability of regulatory limitations before use. The user should adjust the sampling procedures to specific conditions and should test tubes to ensure that the desired results will be obtained.

The SKC Certificate of Quality assures that these sorbent tubes have been manufactured to meet or exceed the requirements for sorbent purity, sample collection and retention, storage stability, and desorption efficiency for the following chemical hazards and analytical methods published by NIOSH, OSHA, EPA, or ASTM:

Mercury	NIOSH	6009
Mercury (Vapor)	OSHA	ID 140
