

About the Geocache Series

The Grand Haven area is a popular destination best known for its lighthouses, boardwalk, trolley rides, Musical Fountain, and of course - its famous beaches. However, there is much more to see! This geocache series is designed to bring your down the 'road less traveled' to show you the places one may overlook while visiting the area.

As you find the caches in the series, mark down the code found in each log book in the space provided. When you finish the series, you can turn in this completed guide to receive the official 'Road Less Traveled' Pathtag. ENJOY!

Special thanks to GHBuccaneers & Pepstreet for assisting with this series - we couldn't have done it without them!

What is Geocaching?

Geocaching is a real-world, outdoor treasure hunting game using GPS-enabled devices. Participants navigate to a specific set of GPS coordinates and then attempt to find the geocache (container) hidden at that location.

How is the game played?

At its simplest level, geocaching requires these 8 steps:

- 1) Register for a free Basic Membership on Geocaching.com.
- 2) Visit the "Hide & Seek a Cache" page.
- 3) Enter your postal code and click "search."

- 4) Choose any geocache from the list and click on its name.
- 5) Enter the coordinates of the geocache into your GPS Device.

- 6) Use your GPS device to assist you in finding the hidden geocache.
- 7) Sign the logbook and return the geocache to its original location.

- 8) Share your geocaching stories and photos online.

What are the rules of Geocaching?

- 1) If you take something from the geocache (or "cache"), leave something of equal or greater value.
- 2) Write about your find in the cache log-book.
- 3) Log your experience at www.geocaching.com.
