Instructions for Rotators

Rotator Eligibility: Residents from other training programs desiring a clinical rotation within our institution may be granted by clinical departments on a case-by-case basis to physicians provided they meet the following qualifications:

- 1) Are graduates of an accredited medical or dental school and are interns/residents/fellows in good standing in a GME program within an ACGME, AOA, or Dental-accredited institution.
- 2) Hold a valid Massachusetts license or they must apply for and be approved for a valid full, limited or dental Massachusetts license prior to the start of rotation. *NOTE: MA Limited License applications are time consuming, so please contact the Program Coordinator at least 5 months before your desired rotation date.
- 3) Fulfill all Tufts MC rotation documentation requirements.

Clinical Rotations may not be granted to:

- 1) Physicians who are not currently enrolled as interns/residents/fellows in graduate medicals education programs at an ACGME, AOA, or Dental-Accredited Institution
- 2) Individuals who have not yet graduated from a medical school
- 3) Have or will apply for a MA Medical License

Rotation experiences are not guaranteed and are subject to availability as determined by the Tufts MC program director or, in certain circumstances, the GME Office.

Directions

Please complete the following steps and return the application to the PC of your own program or the Tufts MC program coordinator/designee for the program you are rotating through, as appropriate. In certain circumstances, such as when groups from one program rotate into us, your own program coordinator may ask for these items to be sent to him/her and will then forward the materials on to Tufts Medical Center for you. The application must be received 3 months prior to the start of your rotation.

- 1) Contact the training program directly to inquire about availability. If we do not have a specific training program you may be able to rotate into a parent program that covers that rotation, or a department that covers that unit, if it is permissible by the program(s), departments, licensing authorities, accrediting authorities, and/or specialty boards. For example, a rotator desiring a month of pediatric GI experience would rotate through our Pediatrics program.
- 2) If your request to rotate is accepted, the program coordinator will forward the following items to you
 - a. Rotator Applicant Instructions
 - b. Rotation Application
- 3) Please notify the Tufts MC Program Coordinator 4-5 months prior to start of rotation if:
 - a. You need a MA Limited License
 - b. You hold a H1-B Visa

Additional Processing time is needed for these situations.

- 4) The following documents will be collected via a checklist on New Innovations. After your application has been reviewed you will be notified by the GME office at Tufts Medical Center with your log in information, and will be instructed to upload documents before your rotation can be cleared with the hospital. The bolded items listed below are required by all rotators. All assigned items will need to be uploaded 2 months prior to the start of your rotation.
 - Rotation schedule indicating rotation at Tufts MC (see example Pg 3)
 - Letter from your Program Director (see example Pg 4)
 - Verification that your home institution ran a CORI (can be included in your PD letter) * Do not include actual results
 - Copy of valid MA license
 - Copy of Malpractice coverage valid for length of rotation
 - Employee Health Clearance Form: signed by an RN, NP or MD at your hospital's Employee
 Health Office.
 - If applicable: Copy of ECFMG certificate
 - Copy of valid VISA (Includes Permanent Resident & Work Authorization Cards)
 - LCA if on a H1-B and required, if applicable
 - Copy of MA Controlled Substance Certificate
 - Copy of Federal DEA Certificate
 - Waiver form for prescriptions and orders
- 5) If you have a MA Limited License you will pick up your Tufts MC Temporary Hospital DEA number from the Pharmacy Office located in South Basement on the day your start your rotation. Please bring a photo ID with you. This DEA# is only for use while you are at Tufts MC.
- 6) If you have a MA Full license and do not have your MA Controlled Substance and Federal DEA numbers please sign the Waiver form.
- 7) The program coordinator will assist you in getting your Tufts MC ID and Temporary DEA (if needed) when you arrive. Upon completion of your rotation please return your badge to the program coordinator.
