

## MMCE PAPER SUBMISSION FORM

<b>Paper title:</b>	(Author's use only)
<b>Author(s), position, affiliation, e-mail address</b>	
<b>Contact author, e-mail address</b>	

*MMCE* covers a wide range of topics from Civil Engineering field and publishes, high quality standards, state-of the-art papers from academic and research community, and industry as well. *MMCE* addresses both theoretical developments and practical applications related to Civil and Structural Engineering, Earth and Environmental Science, Engineering Thermodynamics, Transport Phenomena, Structural Foundations, Hydraulic Engineering domains.

**Please indicate (x) the field covered by your paper**  
(Author(s) use only)

	<b>Civil and Structural Engineering</b>
	<b>Earth and Environmental Science</b>
	<b>Engineering Thermodynamics</b>
	<b>Transport Phenomena</b>
	<b>Structural Foundations</b>
	<b>Hydraulic Engineering</b>

**Author (s) comments, recommendations and observations for Editors (if necessary).**

**Please e-mail this form and your paper to [buletinstiintific@utcb.ro](mailto:buletinstiintific@utcb.ro)**
