

**\*NOTICE \***  
**THIS APPLICATION WAS REVISED IN JUNE 2015**  
**- PLEASE READ CAREFULLY -**

**Initial License Application To Operate a Hospital Freestanding  
Emergency Department (FED)**

**Regulations affecting the application for licensure of FEDs can be found  
by clicking the Rules tab or link on the applications page.**

In addition to the application information, the following must also be submitted:

1. A completed license application and application fee. The application fee for a FED is \$200. Application fees are not refundable. If you are applying for a state license and participation in the Medicare and Medicaid Reimbursement Program, the facility name must be the same on all documents.
2. Organizational documents such as Articles of Incorporation, Articles of Organization, LLC Agreement, Partnership Agreement, or Statement of Sole Proprietorship under which the facility will operate. A copy of the registration to conduct business in Alabama must accompany this application, if the entity was established in a state other than Alabama.
3. A copy of the Certificate of Need or Letter of Nonreviewability from the State Health Planning and Development Agency.
4. A copy of the Certificate of Completion. The proposed physical site for a FED (existing or new construction) must comply with certain requirements and be approved by the Technical Services Unit of this agency. Additional information can be obtained in the facilities rules section of this website or from the Technical Services Unit at (334) 206-5177.

Upon successful review of the application and approval by the Technical Services Unit, a copy of the application will be forwarded to the Division of Health Care Facilities. A staff member from the unit will contact the person identified in item 14 regarding an on-site licensure visit to determine if the facility meets minimum requirements for a state license.

A license may be granted upon approval of the application, building approval from Technical Services, and a successful on-site survey.

**\*NOTE\*** Due to workload volume, application review takes a minimum of thirty days. An on-site survey (if required) could add considerable time to completion of the licensure process. Applications must be submitted well in advance of anticipated start of operations. Applications must be submitted with all required documents and certificates as noted in the instructions before the review can begin.

The earliest date a license can be granted is the first day the complete application and any surveys have been approved by the Department. [For certified health care facilities and agencies, application to the appropriate MAC is recommended 180 days in advance of the anticipated start of operations.]

### **Printing of License Certificates**

License certificates are now available on-line. When a license is granted or renewed the license certificate can be printed on-line at

<https://dph1.adph.state.al.us/FacilityCertificatePrint>. A facility ID and pin number will be provided and must be used to print license certificates.

**Please note: It is a violation of state law to provide FED services before you are granted a license from this agency. If you have questions regarding your application, please call (334) 206-5175.**
