Important:

The person(s) who was required to complete the assignment where the correction has been made must complete this form. This form <u>cannot</u> be used when information has been blocked out by erasure or the use of correction fluid. In these cases, replacement documents must be obtained. This form <u>cannot</u> be used to correct an odometer reading, a purchase date or an incorrectly recorded lien or security interest holder. For an incorrectly recorded odometer reading, Form T-107 (Odometer Discrepancy Affidavit) must be completed and submitted. For an incorrectly recorded lien or security interest holder, Form T-4 (release of lien or security interest) must be completed by the incorrectly recorded lien or security interest holder and submitted. Alterations of the purchase date result in the assessment of a \$10.00 title penalty.
