## THIS WEEK'S THEME

### **"THE PLAN"**

**(WHAT'S IN AND WHAT'S OUT?)**

**Brief Description:** This week we're editing our ideas from the previous three weeks in an effort to develop a plan for Peoples Park. Let's look closely at the site for Peoples Park and think deeply about downtown Wilmington. Let's gather everything we know or have learned about what kind of park is right for lower Market Street. What's the right mix of ingredients to make this park work? Every opinion counts and there is no wrong answer! By responding to any of the following items, you are offering to share your valuable insights about the city you live in with not just the other participants of this project but also the larger public.
