

St. Anne School Family Newsletter

November 4, 2015

Dear St. Anne Parents,

The teachers and I hope your conference was/will be informative and productive. We are grateful to you for the trust and support you give our teachers and staff in helping to educate your child(ren). As you help your child set a goal or two for this second quarter, please reflect on not only an academic area, but also a responsibility area. Every child should be assigned duties at home that s/he takes responsibility to complete. I jokingly say to a child on his/her way home with mom or dad, "Are you doing the dishes or folding the clothes, or setting up the table, or vacuuming etc. tonight?" In reality, my comment is not intended to be a joke. A well-rounded student is NOT someone who just works on school assignments 24 hours a day. A well-rounded student is someone who **IS GIVEN** responsibility for helping out at home on a **daily basis!!** Please keep this reality in mind when you are setting up goals with your child(ren).
