

Quiet time. All the time.

The SoftSound™ VS 95 gas furnace gives you famous Comfortmaker® quiet, plus high efficiency and features that make it easier to install and service.

- 4-position design allows for flexible installation
 - Built for quiet operation with thermal-lined steel cabinet, insulated blower compartment, and solid doors for sealed combustion compartment
 - Two-stage heating, 70%–80% of the time in the quieter first stage
 - Durable stainless steel RPJ® III weld-free heat exchanger
- Meets California low NOx emissions standards.

" Step 2: Type your name and number. Step 3: When you are finished, click outside the area. Step 4: Because each printer is different, print a test

Timely registration required for 10 year parts limited warranty and lifetime heat exchanger limited warranty. Limited warranty period is 5 years for parts and 20 years for heat exchanger if not registered within 90 days of installation. Jurisdictions where warranty benefits cannot be conditioned on registration will receive the registered limited warranty periods. Please see warranty certificate for further details and restrictions.

Many models of Comfortmaker® gas furnaces are ENERGY STAR® qualified. For details, visit energystar.gov.
