Information common to Schemes (as applicable)

1. Comparison of Existing Debt Schemes

Name of the Scheme	HDFC Income Fund	HDFC Short Term Plan	HDFC High Interest Fund (HHIF)
Type of Scheme	Open-ended Income Scheme	Open-ended Income Scheme	Open-ended Income Scheme
Investment Objective	To optimise returns while maintaining a balance of safety, yield and liquidity.	To generate regular income through investment in debt securities and money market instruments.	To generate income by investing in a range of debt and money market instruments of various maturity dates with a view to maximise income while maintaining the optimum balance of yield, safety and liquidity.
Investment Strategy [Please refer to Scheme Information Document (SID) of the Scheme(s) for complete details.]	<p>The net assets of the Scheme will be invested in Debt Securities and Money Market Instruments. The AMC will strive to assess risk of the potential investment in terms of credit risk, interest rate risk and liquidity risk.</p> <p>Based on this analysis, the AMC would manage the investments of the Scheme on a dynamic basis to exploit emerging opportunities in the investment universe and manage risks at all points in time. The AMC will attempt to reduce liquidity risk by investing in securities that would result in a staggered maturity profile of the portfolio, investment in structured securities that provide easy liquidity and securities that have reasonable secondary market activity.</p> <p>Consistent with the investment objectives of the scheme, the AMC aims to identify securities which offer superior levels of yield at low levels of risk. The Scheme may use derivative instruments such as interest rate swaps (IRS), forward rate agreements (FRA) and any other derivative instruments as may be permitted by RBI / SEBI from time to time.</p>	<p>The net assets of the Scheme will be invested in Debt Securities and Money Market Instruments. Credit risk will be minimised by investing only in those companies /industries that have been researched by the Investment Manager's research team supported by information from credit rating agencies authorised to carry out such activity under the SEBI Act. Risk will also be reduced through diversification of the portfolio. The portfolio would be reviewed and rebalanced on a continual basis.</p> <p>With effect from June 04, 2013, HDFC High Interest Fund shall be renamed as HDFC High Interest Fund – Dynamic Plan and its investment strategy shall stand revised as under:</p> <p>The Investment strategy involves investing in debt, money market and related instruments of various maturities on the basis of the expected interest rate scenarios over the short as well as medium term. The Plan shall follow an active duration management strategy by keeping a close watch on various domestic and global macro economic variables. It would take a tactical view on the interest rate outlook and accordingly change the allocation between gilt and other debt, money market instruments. Further, the Plan may look for opportunities across the curve both on the gilt as well as the corporate bond markets in order to capture spread movements. Such active strategy may result in higher portfolio turnover compared to other long-term debt funds.</p> <p>HHIF - Short Term Plan : The Investment strategy of restricting the portfolio largely to debt, money market and related instruments is intended to reduce risk while maintaining steady income. Hence, over the long term, returns in HHIF/HHIF - Dynamic Plan may be higher than that of HHIF-STP but over the short term, HHIF-STP will have a relatively lower exposure to interest rate movements as its portfolio maturity may be shorter than that of HHIF/HHIF - Dynamic Plan.</p>

Investment Objective	To generate regular income through investments in Debt/ Money Market Instruments and Government Securities with maturities not exceeding 36 months.	To generate regular income through investments in Debt/Money Market Instruments and Government Securities with maturities not exceeding 60 months.	To generate regular income through investment in a portfolio comprising substantially of floating rate debt / money market instruments, fixed rate debt/ money market instruments swapped for floating rate returns and fixed rate debt securities and money market instruments.
Investment Strategy [Please refer to Scheme Information Document (SID) of the Scheme(s) for complete details.]	The investment objective of the Scheme is to generate regular income through investments in Debt/Money Market Instruments and Government Securities with maturities not exceeding 36 months. The Scheme seeks to generate income through investments in a range of debt and money market instruments of various credit ratings (above investment grade) with a view to maximizing income while maintaining an optimum balance of yield, safety and liquidity. The Scheme shall endeavour to develop a well- diversified, high credit portfolio of debt (including Securitised debt) and other securities that minimizes liquidity and credit risk. The net assets of the Scheme will be invested in a portfolio comprising substantially of floating rate debt / money market instruments, fixed rate debt instruments swapped for floating rate returns, and fixed rate debt instruments and money market instruments. The primary objective of this Scheme is to substantially minimise the interest rate risk for the investors. The fixed income derivative market has made considerable progress and has evolved into an excellent tool for risk management. The Scheme may use derivative instruments such as interest rate swaps (IRS), forward rate agreements (FRA) and any other derivative instruments as may be permitted by RBI / SEBI from time to time. The Scheme will invest directly in floating rate debt instruments or will swap the returns from fixed rate instruments into floating rate returns or vice versa by the use of derivatives. The portfolio of the Short Term Plan will normally be skewed towards short term maturities with higher liquidity and the portfolio of the Long Term Plan will be normally skewed towards longer term maturities.

Information common to Schemes (as applicable) (Contd.)

2) Risk Profile of the Scheme(s)

Scheme(s) specific Risk factors

Risk factors associated with investing in Fixed Income Securities

- The Net Asset Value (NAV) of the Scheme(s), to the extent invested in Debt and Money Market instruments, will be affected by changes in the general level of interest rates. The NAV of the Scheme(s) is expected to increase from a fall in interest rates while it would be adversely affected by an increase in the level of interest rates.
- Money market instruments, while fairly liquid, lack a well developed secondary market, which may restrict the selling ability of the Scheme(s) and may lead to the Scheme(s) incurring losses till the security is finally sold.
- Investment in Debt instruments are subject to the risk of an issuer's inability to meet interest and principal payments on its obligations and market perception of the creditworthiness of the issuer.
- Government securities where a fixed return is offered run price-risk like any other fixed income security. Generally, when interest rates rise, prices of fixed income securities fall and when interest rates drop, the prices increase. The extent of fall or rise in the prices is a function of the existing coupon, days to maturity and the increase or decrease in the level of interest rates. The new level of interest rate is determined by the rates at which government raises new money and/or the price levels at which the market is already dealing in existing securities. The price-risk is not unique to Government Securities. It exists for all fixed income securities. However, Government Securities are unique in the sense that their credit risk generally remains zero. Therefore, their prices are influenced only by movement in interest rates in the financial system.
- Different types of fixed income securities in which the Scheme(s) would invest as given in the Scheme Information Document carry different levels and types of risk. Accordingly, the Scheme(s) risk may increase or decrease depending upon its investment pattern. e.g. corporate bonds carry a higher level of risk than Government securities. Further even among corporate bonds, AAA rated bonds, are comparatively less risky than AA rated bonds.
- The AMC may, considering the overall level of risk of the portfolio, invest in lower rated / unrated securities offering higher yields as well as zero coupon securities that offer attractive yields. This may increase the absolute level of risk of the portfolio.
- As zero coupon securities do not provide periodic interest payments to the holder of the security, these securities are more sensitive to changes in interest rates. Therefore, the interest rate risk of zero coupon securities is higher. The AMC may choose to invest in zero coupon securities that offer attractive yields. This may increase the risk of the portfolio.
- The Scheme(s) at times may receive large number of redemption requests, leading to an asset-liability mismatch and therefore, requiring the investment manager to make a distress sale of the securities leading to realignment of the portfolio and consequently resulting in investment in lower yield instruments.

General Risk factors

- Trading volumes, settlement periods and transfer procedures may restrict the liquidity of the investments made by the Scheme(s). Different segments of the Indian financial markets have different settlement periods and such periods may be extended significantly by unforeseen circumstances leading to delays in receipt of proceeds from sale of securities. The NAV of the Units of the Scheme(s) can go up or down because of various factors that affect the capital markets in general.
- As the liquidity of the investments made by the Scheme(s) could, at times, be restricted by trading volumes and settlement periods, the time taken by the Mutual Fund for redemption of Units may be significant in the event of a inordinately large number of redemption requests or restructuring of the Scheme(s). In view of the above, the Trustee has the right, in its sole discretion, to limit redemptions (including suspending redemptions) under certain circumstances, as described in the SID under "Right to Limit Redemptions" in Section 'Restrictions, if any, on the right to freely retain or dispose of units being offered'.
- At times, due to the forces and factors affecting the capital market, the Scheme(s) may not be able to invest in securities falling within its investment objective resulting in holding the monies collected by it in cash or cash equivalent or invest the same in other permissible securities/ investments amounting to substantial reduction in the earning capability of the Scheme(s).
- Securities, which are not quoted on the stock exchanges, are inherently illiquid in nature and carry a larger amount of liquidity risk, in comparison to securities that are listed on the exchanges or offer other exit options to the investor, including a put option. The AMC may choose to invest in unlisted securities that offer attractive yields. This may increase the risk of the portfolio.
- Performance of the Scheme may be affected by political, social and economic developments, which may include changes in government policies, diplomatic conditions, and taxation policies.

The Risks involved in Securitised Papers described below are the principal ones and does not represent that the statement of risks set out hereunder is exhaustive.

Risk factors associated with investing in Securitised Debt

Risk factors associated with investing in Securitised Debt summarized below.

- Limited Liquidity & Price Risk
- Limited Recourse, Delinquency and Credit Risk

- Risks due to possible prepayments and Charge Offs
- Bankruptcy of the Swap Bank
- Risk of Co-mingling

Risk factors associated with Securities Lending

As with other modes of extensions of credit, there are risks inherent to securities lending, including the risk of failure of the other party, in this case the approved intermediary, to comply with the terms of the agreement entered into between the lender of securities i.e. the Scheme and the approved intermediary. Such failure can result in the possible loss of rights to the collateral put up by the borrower of the securities, the inability of the approved intermediary to return the securities deposited by the lender and the possible loss of any corporate benefits accruing to the lender from the securities deposited with the approved intermediary.

Risks Associated Processing of Transaction Through Stock Exchange Mechanism

The trading mechanism introduced by the stock exchange(s) is configured to accept and process transactions for mutual fund units in both Physical and Demat Form. The allotment and/or redemption of Units through NSE and/or BSE or any other recognised stock exchange(s), on any Business Day will depend upon the modalities of processing viz. collection of application form, order processing/settlement, etc. upon which the Fund has no control. Moreover, transactions conducted through the stock exchange mechanism shall be governed by the operating guidelines and directives issued by respective recognized stock exchange(s).

Risk factors associated with investing in Foreign Securities (Except HDFC Gilt Fund)

- **Currency Risk:**
Moving from Indian Rupee (INR) to any other currency entails currency risk. To the extent that the assets of the Scheme(s) will be invested in securities denominated in foreign currencies, the Indian Rupee equivalent of the net assets, distributions and income may be adversely affected by changes in the value of certain foreign currencies relative to the Indian Rupee.
- **Interest Rate Risk:**
The pace and movement of interest rate cycles of various countries, though loosely co-related, can differ significantly. Hence by investing in securities of countries other than India, the Scheme(s) stand exposed to their interest rate cycles.
- **Credit Risk:**
Investment in Foreign Debt Securities are subject to the risk of an issuer's inability to meet interest and principal payments on its obligations and market perception of the creditworthiness of the issuer. This is substantially reduced since the SEBI (Mutual Funds) Regulations, 1996 stipulate investments only in debt instruments with rating not below investment grade by accredited/ registered credit rating agency.

To manage risks associated with foreign currency and interest rate exposure, the Mutual Fund may use derivatives for efficient portfolio management including hedging and in accordance with conditions as may be stipulated by SEBI/ RBI from time to time.

Risk factors associated with investing in Derivatives (Except HDFC Gilt Fund)

- The AMC, on behalf of the Scheme(s) may use various derivative products, from time to time, in an attempt to protect the value of the portfolio and enhance Unit holders' interest. Derivative products are specialized instruments that require investment techniques and risk analysis different from those associated with stocks and bonds. The use of a derivative requires an understanding not only of the underlying instrument but of the derivative itself. Other risks include, the risk of mispricing or improper valuation and the inability of derivatives to correlate perfectly with underlying assets, rates and indices.
- Derivative products are leveraged instruments and can provide disproportionate gains as well as disproportionate losses to the investor. Execution of such strategies depends upon the ability of the fund manager to identify such opportunities. Identification and execution of the strategies to be pursued by the fund manager involve uncertainty and decision of fund manager may not always be profitable. No assurance can be given that the fund manager will be able to identify or execute such strategies.
- The risks associated with the use of derivatives are different from or possibly greater than, the risks associated with investing directly in securities and other traditional investments.

Risk Factors Specific to HDFC Floating Rate Income Fund

Basis Risk: As the Scheme will invest in floating rate instruments, the Scheme could be exposed to the interest rate risk (a) to the extent of time gap in resetting of the benchmark rates and (b) to the extent the benchmark index fails to capture the interest rate movement.

Settlement Risk: In the case of swapping a fixed rate return for a floating return, there may be an additional risk of counter party who will pay floating rate return and receive fixed rate return.

Liquidity Risk: Due to the evolving nature of floating rate market, there may be an increased risk of liquidity risk in the portfolio from time to time.

Benchmark Risk: The floating rate segment of the domestic debt market is in a nascent stage. As the floating rate segment develops further, more benchmarks for floating papers may be available in future. The fewer number of benchmarks currently present could reduce the choice of an appropriate benchmark for certain instruments.

Information common to Schemes (as applicable) (Contd.)

Interest Rate Risk: Floating rate debt instruments, on account of periodical interest rate reset, carry a lower interest rate risk as compared to fixed rate debt instruments. Consequently, in a downward interest rate scenario the returns on floating rate debt instruments may not be better than those on fixed rate debt instruments.

Risk Factors specific to HDFC Quarterly Interval Fund

Risk Factors associated with Market Trading

- Although Units of the respective Plan(s) are listed on the Exchange, there can be no assurance that an active secondary market will develop or be maintained.
- No trading of units shall be allowed during the temporary suspension period for units held in demat form. This could lead to inability on the part of investors to trade in the Units during the aforesaid period.
- Trading in Units of the respective Plan(s) on the Exchange may be halted because of market conditions or for reasons that in view of Exchange Authorities or SEBI, trading in Units of the respective Plan(s) is not advisable. In addition, trading in Units of the Scheme is subject to trading halts caused by extraordinary market volatility and pursuant to Exchange and SEBI 'circuit filter' rules. There can be no assurance that the requirements of Exchange necessary to maintain the listing of Units of the respective Plan(s) will continue to be met or will remain unchanged.
- Any changes in trading regulations by the Stock Exchange(s) or SEBI may inter-alia result in wider premium/ discount to NAV.
- The Units of the respective Plan(s) may trade above or below their NAV. The NAV of the respective Plan(s) will fluctuate with changes in the market value of Plan's holdings. The trading prices of Units of the respective Plan(s) will fluctuate in accordance with changes in their NAV as well as market supply and demand for the Units of the respective Plan(s).
- The Units may be issued in demat form through depositories. The records of the depository are final with respect to the number of Units available to the credit of Unitholder. Investments through distributors

As per directions of Securities and Exchange Board of India (SEBI), the distributors, agents or any persons employed or engaged or to be employed or engaged in the sale and/or distribution of mutual fund products are required to have a valid certification from the National Institute of Securities Markets (NISM) by passing the certification examination. Further, no agents / distributors are entitled to sell units of mutual funds unless the intermediary is registered with Association of Mutual Funds in India (AMFI).

New cadre distributors: SEBI has introduced a new cadre of distributors such as postal agents; retired government and semi-government officials (class III and above or equivalent), retired teachers and retired bank officers (all such retired persons with at least 10 years of service) and other similar persons (such as Bank correspondents) as may be notified by AMFI/AMC from time to time. Such New Cadre distributor can sell only 'simple and performing' diversified equity schemes, index funds and fixed maturity plans. There is a pre-fix of "SD" before the ARN number of such distributors. They also hold an EUIN which must be quoted in the application form.

The list of eligible schemes which may be sold by new cadre distributors is available on www.hdfcfund.com. In case your application for subscription is through such distributor is not for an eligible scheme, it is liable to be rejected.

Employee Unique Identification Number (EUIN): SEBI has made it compulsory for every employee/relationship manager/sales person of the distributor of mutual fund products to quote the EUIN obtained by him/her from AMFI in the Application Form. EUIN, particularly in advisory transactions, would assist in addressing any instance of mis-selling even if the employee/relationship manager/sales person later leaves the employment of the distributor. Individual ARN holders including senior citizens distributing mutual fund products are also required to obtain and quote EUIN in the Application Form. Hence, if your investments are routed through a distributor please ensure that the EUIN is correctly filled up in the Application Form.

However, if your distributor has not given you any advice pertaining to the investment, the EUIN box may be left blank. In this case, you are required to provide a duly signed declaration to this effect, as given in the Form.

Overseas Distributors: Overseas Distributors are exempt from obtaining NISM certification and AMFI registration. However, such Overseas Distributors are required to comply with the guidelines/requirements as may be issued by AMFI/SEBI from time to time and also comply with the laws, rules and regulations of jurisdictions where they carry out their operations in the capacity of distributors.

Direct Investments

Investors applying under Direct Plan must mention "Direct" in ARN column. In case Distributor code is mentioned in the application form, but "Direct Plan" is indicated against the Scheme name, the Distributor code will be ignored and the application will be processed under Direct Plan. In case of valid application received without indicating "Direct Plan" against the Scheme / Plan name and without any Distributor Code mentioned on the form, the application will be processed under "Direct Plan".

2. Transaction Charges

In accordance with SEBI circular No. Cir/IMD/DF/13/2011 dated August 22, 2011, as amended from time to time HDFC Asset Management Company Limited ("the AMC")/Mutual Fund will deduct Transaction Charges from the purchase/subscription amount received from the investors investing through a valid ARN Holder i.e. AMFI registered Distributor (provided the Distributor has opted-in to receive the Transaction Charges). The Distributor may opt to receive transaction charges based on the type of product.

Transaction Charge of Rs. 150 (for a first time investor across mutual funds) or Rs. 100 (for investor other than first time mutual fund investor) per purchase / subscription of Rs. 10,000 and above are deductible from the purchase / subscription amount and payable to the Distributor. The balance amount shall be invested.

TRANSACTION CHARGES IN CASE OF INVESTMENTS THROUGH SIP:

Transaction Charges shall not be deducted:

- where the Distributor of the investor has not opted to receive any Transaction Charges
- for purchases / subscriptions / total commitment amount in case of SIP of an amount less than Rs. 10,000/-;

- for transactions other than purchases / subscriptions relating to new inflows i.e. through Switches/ Systematic Transfers/ Dividend Transfers/ Dividend Reinvestment, etc.;
- for purchases / subscriptions made directly with the Fund (i.e. not through any Distributor); and
- for purchases / subscriptions routed through Stock Exchange(s).

First / Sole Applicant / Guardian should indicate whether he is a first time investor across Mutual Funds or an existing investor in the appropriate box provided for this purpose in the application form. HDFC AMC/ Fund will endeavor to identify the investor as "first time" or "existing" based on the Permanent Account Number (PAN)/PAN Exempt KYC Reference Number (PEKRN) at the First/ Sole Applicant/ Guardian level. If the PAN/PEKRN details are available, then the First / Sole Applicant / Guardian will be treated as existing investor (i.e. Rs. 100 will be deducted as Transaction Charge) else the declaration in the application form will be considered (i.e. Rs. 150 for first time investors or Rs. 100 for other than first time investors will be deducted as Transaction Charge, as applicable). Should the Unit holder experience any difficulty in accessing the electronically delivered documents, the Unit holder shall promptly advise the Mutual Fund to enable the Mutual Fund to make the delivery through alternate means. It is deemed that the Unit holder is aware of all security risks including possible third party interception of the documents and contents of the documents becoming known to third parties.

The AMC / Fund reserve the right to send any communication in physical mode.

11. Mode of Payment of Redemption / Dividend Proceeds-via Direct Credit / NEFT / ECS

• Direct Credit

The AMC has entered into arrangements with eleven banks to facilitate direct credit of redemption and dividend proceeds (if any) into the bank account of the respective Unit holders maintained with any of these banks. These banks are: Axis Bank Ltd., Citibank N.A., Deutsche Bank AG, HDFC Bank Limited, The Hongkong and Shanghai Banking Corporation, ICICI Bank Limited, IDBI Bank Limited, Kotak Mahindra Bank Ltd., Royal Bank of Scotland N.V., Standard Chartered Bank and YES Bank Limited. The list of banks is subject to change from time to time.

• National Electronic Funds Transfer (NEFT)

The AMC provides the facility of 'National Electronic Funds Transfer (NEFT)' offered by Reserve Bank of India (RBI), which aims to provide credit of redemption and dividend payouts (if any) directly into the bank account of the Unit holder maintained with the banks (participating in the NEFT System). Unit holders can check the list of banks participating in the NEFT System from the RBI website i.e. www.rbi.org.in or contact any of our Investor Service Centres.

However, in the event of the name of Unit holder's bank not appearing in the 'List of Banks participating in NEFT' updated on RBI website www.rbi.org.in, from time to time, the instructions of the Unit holder for remittance of redemption/ dividend (if any) proceeds via NEFT System will be discontinued by HDFC Mutual Fund / HDFC Asset Management Company Limited without prior notice to the Unit holder and the payouts of redemption / dividend (if any) proceeds shall be effected by sending the Unit holder(s) a cheque / demand draft.

For more details on NEFT or for frequently asked questions (FAQs) on NEFT, Unit holders are advised to visit the RBI website www.rbi.org.in / HDFC Mutual Fund website www.hdfcfund.com

• Electronic Clearing Service (ECS)

Investors who have opted for the ECS facility of RBI for dividend payment will receive a direct credit of the amount due to them in their mandated account whenever the payment is made through ECS. A separate advice regarding credit of amount(s) via ECS will be sent to the unit holder. It should be noted that while the Mutual Fund will make all efforts, there is no commitment that this facility will be made available to all desirous investors.

Applicants in cities not covered under ECS facility will receive dividend payments, if any by cheques or demand drafts and the same will be mailed to the Unit holders. Please note that the ECS Facility is available only in respect of dividend payments and not in the case of Redemption of Units.

Therefore, the Investors will receive their redemption / dividend proceeds (if any) directly into their bank accounts in the following order:

- (i) In case the bank account of an investor is covered under Direct Credit facility then the payment of redemption / dividend proceeds (if any) will happen via direct credit payout mode only. Investors having these bank accounts will not receive payouts via NEFT/ECS*
- (ii) In case the bank account of an investor is not covered under Direct Credit facility but covered under NEFT system offered by the RBI then the payment of redemption / dividend proceeds (if any) shall be effected via NEFT mechanism only.
- (iii) The facility for payment of dividend proceeds, if any via ECS* shall be affected only in case the bank account of an investor is not covered under the Direct Credit facility or NEFT system.

* available only in respect of dividend payments.

Each of the above facilities aims to provide direct credit of the redemption proceeds and dividend payouts (if any) into the bank account (as furnished in Section 4 of the Application Form) of the Unit holder and eliminates the time lag between despatch of the cheque, its receipt by the Unit holders and the need to personally bank the instrument and await subsequent credit to the Unit holders account. Further, the potential risk of loss of instruments in transit through courier / post is also eliminated. Each of the said facility as a mode of payment, is faster, safer and reliable.

In case the bank account as communicated by the Unit holder is with any of the said banks with whom the AMC has entered into arrangements to facilitate such direct credits or with any of the banks participating in the NEFT System offered by RBI, the AMC shall automatically extend this facility to the Unit holders.

HDFC Asset Management Company Limited / HDFC Mutual Fund shall not be held liable for any losses/ claims, etc. arising on account of processing the direct credit or credit via NEFT / ECS of redemption / dividend proceeds on the basis of Bank Account details as provided by the unit holder in the Application Form.

However, if the Unit holders are not keen on availing of any of the said facilities and prefer receiving cheques / demand drafts, Unit holders may indicate their intention in the Application Form in the space provided specifically. The AMC would then ensure that the payouts are effected by sending the Unit holders a cheque / demand draft. In case of unforeseen circumstances, the AMC reserves the right to issue a cheque / demand draft.

• Mode of Payment for Unit holders holding Units in Demat form

Investors will receive their maturity / dividend proceeds directly into their bank accounts linked to the demat accounts. Please ensure to furnish the Bank Account details under Section 4.

- Investment through Distributors**
Agents / distributors are not entitled to sell units of mutual funds unless they are registered with Association of Mutual Funds in India (AMFI). Further, SEBI has made it compulsory for every employee/ relationship manager/ sales person of the distributor of mutual fund products to quote the Employee Unique Identification Number (EUIIN) obtained by him/her from AMFI in the Application Form. EUIIN, particularly in advisory transactions, would assist in addressing any instance of mis-selling even if the employee/ relationship manager/sales person later leaves the employment of the distributor. Hence, if your investments are routed through a distributor, please ensure that the EUIIN is correctly filled up in the Application Form.

However, if your distributor has not given you any advice pertaining to the investment, the EUIIN box may be left blank. In this case, you are required to provide a duly signed declaration to this effect, as given in the Form.

These requirements do not apply to Overseas Distributors.

New cadre distributors: SEBI has introduced a new cadre of distributors who can sell only 'simple and performing' diversified equity schemes, index funds and fixed maturity plans. There is a pre-fix of "SD" before the ARN number of such distributors. They also hold an EUIIN which must be quoted in the application form. The list of eligible schemes which may be sold by such distributors is available on www.hdfcfund.com. In case your application through such distributor is not for an eligible scheme, it is liable to be rejected.

- d. The total Flex STP amount invested in the Transferee Scheme shall not exceed the total enrollment amount i.e. amount per installment X number of installments.
- e. The redemption/ switch-out of units allotted in the Transferee Scheme shall be processed on First In First Out (FIFO) basis. In case there is a redemption/ switch-out of any units allotted under Flex STP, the balance installments under Flex STP will be processed for the fixed installment amount specified by the unitholder at the time of enrollment subject to clause 8(d) above.

- f. Illustration 1: How to calculate the transfer amount?

Flex STP Enrollment Details :

Transferor Scheme	HDFC Income Fund
Transferee Scheme	HDFC Equity Fund - Growth Option
Date & Frequency of Flex STP	15th - Monthly Interval

Amount of Transfer per Installment	Rs. 5,000/-
Number of Installments	12
Enrollment Period	January - December

Calculation of Flex STP installment amount on the date of the fourth installment i.e. April 15:

- Total units allotted upto the date of last installment i.e. March 15 is assumed as 1,371.22;
- The NAV of HDFC Equity Fund - Growth Option on April 15 is assumed as Rs. 9/- per unit;
- Hence the market value of the investment in the Transferee Scheme on the date of transfer is Rs.12,340.91 [1,371.22 X 9].

The installment amount will be calculated as follows:

Fixed amount specified at the time of enrollment	Rs. 5,000/-
or	
As determined by the formula	$[(5,000 \times 4) - 12,340.91] = \text{Rs. } 7,659.09$
whichever is higher	

Hence, on April 15, the installment amount transferred to the Transferee Scheme will be Rs. 7,659.09

Illustration 2: How to calculate the transfer amount?

FLEX STP Enrollment Details :

Transferor Scheme	HDFC Floating Rate Income Fund - Short Term Plan
Transferee Scheme	HDFC MF Monthly Income Plan - Long Term Plan - Growth Option
Date & Frequency of Flex STP	1st - Monthly Interval
Amount of Transfer per Installment	Rs. 5,000/-
Number of Installments	12
Enrollment Period	January - December

Calculation of Flex STP installment amount on the date of the seventh installment i.e. July 1:

- Total units allotted upto the date of last installment i.e. June 1 is assumed as 4,196.43;
- NAV of HDFC MF Monthly Income Plan - Long Term Plan - Growth Option on July 1 is assumed as Rs.10/- per unit;
- Hence the market value of the investment in the Transferee Scheme on the date of transfer is Rs. 41,964.29 [4,196.43 X 10].

The installment amount will be calculated as follows :

Fixed amount specified at the time of enrollment	Rs. 5,000/-
or	
As determined by the formula	$[(5,000 \times 7) - 41,964.29] = \text{Rs. } -6,964.29$
whichever is higher.	

Hence, on July 1, the installment amount transferred to the Transferee Scheme will be Rs. 5,000/-.

TERMS AND CONDITIONS FOR SWING STP

- Swing STP is a facility wherein unit holder(s) can opt to transfer an amount at regular intervals from designated open-ended Scheme(s) of HDFC Mutual Fund (“**Transferor Scheme**”) to the **Growth Option** of designated open-ended Scheme(s) of HDFC Mutual Fund (“**Transferee Scheme**”) including a feature of Reverse Transfer from Transferee Scheme into the Transferor Scheme, in order to achieve the Target Market Value on each transfer date in the Transferee Scheme, subject to the terms and conditions of Swing STP. The Swing STP Facility is available only for units held / to be held in Non - demat Mode in the Transferor and the Transferee Scheme.

Currently the Schemes (including Direct Plan thereunder) eligible for this facility are as follows:

HDFC Liquid Fund, HDFC Cash Management Fund, HDFC Income Fund, HDFC High Interest Fund, HDFC Short Term Plan, HDFC Floating Rate Income Fund, HDFC Short Term Opportunities Fund, HDFC Medium Term Opportunities Fund, HDFC Gilt Fund, HDFC MF Monthly Income Plan (an open - ended income scheme. *Monthly income is not assured and is subject to availability of distributable surplus*), HDFC Growth Fund, HDFC Equity Fund, HDFC Top 200 Fund, HDFC Capital Builder Fund, HDFC Core & Satellite Fund, HDFC Premier Multi-Cap Fund, HDFC Index Fund, HDFC Balanced Fund, HDFC Prudence Fund, HDFC Mid-Cap Opportunities Fund, HDFC Focused Large-Cap Fund, HDFC Infrastructure Fund and HDFC Gold Fund (an open-ended fund of fund scheme investing in HDFC Gold Exchange Traded Fund).

The above list is subject to change from time to time. Please contact the nearest Investor Service Centre (ISC) of HDFC Mutual Fund for an updated list.

- Swing STP Enrolment Form should be completed in English and in Block Letters only. Please tick (✓) in the appropriate box (□), where boxes have been provided. The Swing STP Enrolment Form complete in all respects, should be submitted at any of the Official Points of Acceptance of HDFC Mutual Fund.

Investment through Distributors

Agents / distributors are not entitled to sell units of mutual funds unless they are registered with Association of Mutual Funds in India (AMFI). Further, SEBI has made it compulsory for every employee/ relationship manager/ sales person of the distributor of mutual fund products to quote the Employee Unique Identification Number (EUIIN) obtained by him/her from AMFI in the Application Form. EUIIN, particularly in advisory transactions, would assist in addressing any instance of mis-selling even if the employee/relationship manager/sales person later leaves the employment of the distributor. Hence, if your investments are routed through a distributor, please ensure that the EUIIN is correctly filled up in the Application Form.

However, if your distributor has not given you any advice pertaining to the investment, the EUIIN box may be left blank. In this case, you are required to provide a duly signed declaration to this effect, as given in the Form.

These requirements do not apply to Overseas Distributors.

New cadre distributors: SEBI has introduced a new cadre of distributors who can sell only ‘simple and performing’ diversified equity schemes, index funds and fixed maturity plans. There is a pre-fix of “SD” before the ARN number of such distributors. They also hold an EUIIN which must be quoted in the application form. The list of eligible schemes which may be sold by such distributors is available on www.hdfcfund.com. In case your application through such distributor is not for an eligible scheme, it is liable to be rejected.

Direct Investments

Investors applying under Direct Plan must mention “Direct” in ARN column. In case Distributor code is mentioned in the application form, but “Direct Plan” is indicated against the Transferee Scheme name, the Distributor code will be ignored and the application will be processed under Direct Plan.

- A single Swing STP Enrolment Form can be submitted for transfer into one Scheme/Plan/Option only.
- In case of valid enrolment forms received, indicating choice of option other than the Growth Option in the Transferee Scheme, it will be **deemed as the Growth Option** in the Transferee Scheme and processed accordingly.

- Investors are advised to read the relevant Key Information Memorandum(s) (KIMs), Scheme Information Document(s) (SIDs) and Statement of Additional Information (SAI) carefully before investing. The SIDs / KIMs of the respective Scheme(s) and SAI are available with the ISCs of HDFC Mutual Fund, brokers/distributors and also displayed at the HDFC Mutual Fund website i.e. www.hdfcfund.com.
- Unit holders should note that unit holders’ details and mode of holding (single, joint, anyone or survivor) in the Transferee Scheme will be as per the existing folio number of the Transferor Scheme. Units will be allotted under the same folio number. Unitholders’ name(s) should match with the details in the existing folio number, failing which the Enrolment Form is liable to be rejected.
- Swing STP offers transfer facility at weekly, monthly and quarterly intervals. In case the Frequency (Weekly/ Monthly/Quarterly) and Swing STP date is not indicated, Monthly frequency shall be treated as the Default Frequency. Unit holder is free to choose the frequency of such transfers. The dates of transfers/ default dates shall be as under:

Frequency	Dates of Transfers	Default Date
Weekly Interval	Monday, Tuesday, Wednesday, Thursday, or Friday	Friday
Monthly Interval	On the 1st, 5th, 10th, 15th, 20th or 25th of each month	10th of each month
Quarterly Interval	On the 1st, 5th, 10th, 15th, 20th or 25th of the first month of each quarter. The beginning of the quarter could be any month e.g. April, August, October, November, etc.	10th of the first month of each quarter

In case the day/date of transfer falls on a non-Business Day or falls during a book closure period, the immediate next Business day will be considered for the purpose of determining the applicability of NAV and processing the Application.

- In Swing STP, transfers in Transferee Scheme from the Transferor Scheme are made to achieve the Total Target Market Value in the Transferee Scheme by transferring an amount at regular intervals in such a way so as to increase the Target Market Value of units in the Transferee Scheme systematically by a fixed amount (i.e. the first installment amount specified by the Unitholder) on the date of each transfer till the tenure of the Swing STP. The amount to be transferred will be arrived at on the basis of the difference between the Target Market Value and the actual Market Value of the holdings in the Transferee Scheme on the date of transfer.
- The first Swing STP installment will be processed for the first installment amount specified by the Unitholder at the time of enrollment. From the second Swing STP installment onwards, the transfer amount may be higher/lower than the first installment amount, as derived by the formula stated below:

(First installment amount X Number of installments including the current installment) – Market Value of the investments through Swing STP in the Transferee Scheme on the date of transfer

In case the amounts (as specified above) to be transferred are not available in the Transferor Scheme in the unit holder’s account, the residual amount will be transferred to the Transferee Scheme and Swing STP will be closed.
- Reverse Transfer:** On the date of transfer, if the market value of the investments in the Transferee Scheme through Swing STP is higher than the first installment amount X number of installments (including the current installment), then a reverse transfer will be effected from the Transferee Scheme to the Transferor Scheme to the extent of the difference in the amount, in order to arrive at the Target Market Value.
- The total amount invested through Swing STP over its tenure in the Transferee Scheme, may be higher or lower than the Total Target Market Value of the investment (i.e. the first installment amount X total number of installments specified by the Unitholder). This may be on account of fluctuations in the market value of the Transferee Scheme. **If you decide to take up this facility, you should be aware of the possibility, that the total amount invested through Swing STP could be higher or lower than the Total Target Market Value of the investment.**

TERMS AND CONDITIONS FOR SWING STP (Contd.)

12. The redemption/switch-out of units allotted in the Transferee Scheme shall be processed on First In First Out (FIFO) basis. **In case there is a redemption/switch-out of any units allotted under Swing STP in the Transferee Scheme by the unit holder, the balance installments under Swing STP will be processed as a normal STP** for the remaining installments by investing the amount indicated as first installment amount, on the date of each transfer over the balance tenure of the Swing STP, subject to availability of unit balance in the Transferor Scheme.

13. How does the Swing STP work?

The following example illustrates how Swing STP – Monthly Interval will work in the Transferee Scheme, if the Target Market Value is to be increased by an amount of Rs. 1,000 every month by way of 12 installments from January to December:

Transfer Date	NAV per unit (Rs.)	Target Market Value of holdings (Rs.)	Market Value of holdings before investment (Rs.)#	Amount Transferred (Rs.)	Units Purchased/ Redeemed*	Total Units held	Total Amount Invested (Rs.)

Total units before current investment X current NAV

Swing STP consists of two parts (the same is explained in the above table):

i. **Transfer:** The transfers are made in a way to increase the market value systematically by Rs. 1,000 every month. Therefore, in January, there is a transfer worth Rs. 1,000(100 units @ NAV Rs. 10).

• Case 1: If NAV Increases

In the month of February, the NAV of Transferee Scheme rises to Rs. 12. As a result, the market value of the existing 100 units rises to Rs. 1,200. As the target market value after February Swing STP should not exceed Rs. 2,000 the transfer amount will be Rs. 800, this will give an additional 66.67 units @ Rs. 12 to the Transferee Scheme, raising total number of units to 166.67 units.

• Case 2: If NAV Decreases

In the month of March, the NAV of Transferee Scheme falls to Rs. 11. As a result the market value for the 166.67 units falls to Rs.1833 (166.67 X 11). Since the Target Market Value after

March Swing STP should be Rs. 3,000, the transfer amount will be Rs. 1,167. This will give an additional 106 units @ Rs. 11 to the Transferee Scheme, raising the total number of units to 272.73 units.

ii. **Reverse Transfer:** When the Market Value of the Transferee Scheme exceeds the Target Market Value (For eg. Market Value is Rs. 7,500 in July prior to the transfer) then a Reverse Transfer will be effected to transfer units from Transferee Scheme to Transferor Scheme for the excess value rather than a transfer from Transferor Scheme to Transferee Scheme. Thus, when the NAV of the Transferee Scheme increased in July, units were taken out (as indicated by the negative sign) worth Rs. 500 (i.e. in excess of Rs. 7,000) thereby reducing the number of units held in the Transferee Scheme.

However, it may be noted that the Total Amount invested through Swing STP could be more than the Total Target Market Value as illustrated below:

Transfer Date	NAV per unit (Rs.)	Target Market Value of holdings (Rs.)	Market Value of holdings before investment (Rs.)#	Amount Transferred (Rs.)	Units Purchased/ Redeemed*	Total Units held	Total Amount Invested (Rs.)

This enrolment form, complete in all respects, should be submitted at any of the Official Points of Acceptance of HDFC Mutual Fund. Incomplete enrolment form is liable to be rejected.

4. New Investors who wish to enroll for SWAP are required to fill the SWAP enrolment form along with the Scheme Application Form. Existing unit holders should provide their Folio Number. Unitholders' details and mode of holding (single, jointly, anyone or survivor) will be as per the existing folio number and would prevail over any conflicting information furnished in this form. Unitholders name should match with the details in the existing folio number, failing which the application form is liable to be rejected.
5. **Unitholders must use separate 'SWAP' enrolment forms for different Schemes/Plans/Options.**
6. **Exit Load:** In respect of amount withdrawn under SWAP, the Exit Load, if any, applicable to the Scheme/Plan as on the date of allotment of units shall be levied.
7. Unitholder has an option to select any one of the following SWAP withdrawal date i.e 1st, 5th, 10th, 15th, 20th, 25th. If no date is mentioned 10th will be considered as the Default Date.
8. **Fixed Plan:**
 - i. Fixed Plan is available for Growth and Dividend Option.
 - ii. Fixed Plan is available for Monthly/ Quarterly /Half yearly / Yearly intervals. If the frequency is not mentioned Monthly Frequency will be considered as the

default frequency.

- iii. Unitholders under the Fixed Plan can redeem (subject to completion of lock-in/pledge period, if any), under each Scheme / Plan / Option a minimum of Rs. 500 and in multiples of Rs. 100 thereafter.
- iv. The provision for 'Minimum Redemption Amount' specified in the respective Scheme Information Document will not be applicable for SWAP. e.g. the minimum redemption amount for HDFC MF Monthly Income Plan is Rs. 1,000. However, in case of SWAP, an investor may redeem his investments with the Scheme with minimum amount of Rs. 500.
- v. **Commencement date for Fixed Plan under SWAP is the date from which the first withdrawal will commence.**
- vi. The amount withdrawn under SWAP by Redemption shall be converted into the specific Scheme/Plan Units at the NAV based prices as on the SWAP withdrawal date and such Units will be subtracted from the Unit Balance of the Unitholders. In case these dates fall on a holiday or fall during a Book Closure period, the next Business Day will be considered for this purpose. If there is inadequate balance on the SWAP date, the SWAP will be processed for the balance units and SWAP will continue. If there is nil balance on the SWAP date, the SWAP will be automatically terminated and there will not be any further trigger.

If you decide to opt for this facility, you should be aware of the possibility that you could erode your capital.

Example: If the Unitholder decides to withdraw Rs. 3,000 every quarter and the appreciation is Rs. 2,500, then such redemption proceeds will comprise of Rs. 2,500 from the capital appreciation and Rs. 500 from the Unitholder's capital amount.

9. Variable Plan:

- i. **Variable Plan is available for Growth Option only.**
- ii. Variable Plan is available for Quarterly/ Half Yearly / Yearly intervals only. If frequency of Plan is not indicated Quarterly will be the Default Frequency.

Subsequent capital appreciation, if any, will be the capital appreciation* between the previous SWAP date** (where redemption has been processed and paid) and the next SWAP withdrawal date. Provided such capital appreciation is at least Rs. 300, on each withdrawal date. In case these dates fall on a holiday or fall during a Book Closure period, the next Business Day will be deemed as the SWAP withdrawal date. Capital appreciation, if any, in such cases will be calculated upto such deemed withdrawal date.

* In case of redemption, capital appreciation will be computed on the balance units post redemption.

** Date of additional purchase to calculate capital appreciation of units additionally purchased between two SWAP dates.

- iv. Unitholders should note that in the event of there being no capital appreciation, no withdrawal / payment will be effected.

Example: If the appreciation is Rs. 3,500 in the first quarter and Rs. 3,000 in the second quarter, the Unitholder will receive only the appreciation i.e. Rs. 3,500 in the first quarter and Rs. 3,000 in the second quarter.

- v. If there is nil balance on the SWAP date, the system will automatically cease the SWAP and there will not be any further trigger.
10. The Unitholder should submit the duly filled in SWAP Enrolment Form atleast 10 days & maximum 30 days before the first withdrawal date ^ .
 - ^ In case the SWAP start date as mentioned in the SWAP Enrolment Form above does not satisfy this condition, the first SWAP date shall be rolled over to begin from the immediately following Month /Quarter / Half Year / Year, as applicable.

SWAP will terminate automatically if all Units are liquidated or withdrawn from the folio or pledged or upon receipt of notification of death of the first named Unitholder.
 13. The AMC at its sole discretion retains the right to close an account if the outstanding balance, based on the Net Asset Value (NAV), falls below Rs. 500 due to Redemption or use of SWAP and the investor fails to invest sufficient funds to bring the value of the account upto Rs. 500 within 30 days after a written intimation in this regard is sent to the Unitholder.
 14. **Bank Account for Payout:**

In order to protect the interest of Unitholders from fraudulent encashment of redemption / dividend cheques, SEBI has made it mandatory for investors to provide their bank details viz. name of bank, branch, address, account type and number, etc. to the Mutual Fund. **Unitholders should note that redemption / withdrawal proceeds under the SWAP will be paid by forwarding a cheque or by directly crediting the Bank Account registered in the Scheme or indicated in Section 5 of this form (depending on the mode of receipt of redemption / dividend proceeds chosen by the unitholders & registered in the Scheme) on the date of each withdrawal.** In case the Unitholder wishes to receive the redemption amount in a bank account which is not registered in the folio, then it is mandatory to first register the bank account by filling in the Multiple Bank Account Registration Form. Upon receipt of confirmation of registration of bank details in the Scheme / folio, the investor needs to submit the SWAP enrolment form with the required bank details mentioned under Section 5. Unit holder(s)' enrolment under the DTP facility will automatically override any previous instructions for 'Dividend Payout' or 'Dividend Reinvestment' facility in the Source Scheme.

4. The enrolment for DTP facility should be for all units under the respective Dividend Plan / Option of the Source Scheme. Instructions for part Dividend Transfer and part Dividend Payout / Reinvestment will not be accepted. The dividend amount will be invested in the Target Scheme under the same folio. Accordingly, the unit holder(s) details and mode of holding in the Target Scheme will be same as in the Source Scheme.

5. The enrolment to avail of DTP facility has to be specified for each Scheme/Plan/Option separately and not at the folio level.

6. Under DTP, dividend declared (as reduced by the amount of applicable statutory levy) in the Source scheme (subject to

minimum of Rs. 500/-) will be automatically invested into the Target Scheme, as opted by the unit holder, on the immediate next Business Day after the Record Date at the applicable NAV of the Target Scheme, subject to applicable load as specified under point 9 below and accordingly equivalent units will be allotted in the Target Scheme, subject to the terms and conditions of the respective Target Scheme.

9. Load Structure (Target Scheme):

The dividend amount to be invested under the DTP from the Source Scheme to the Target Scheme shall be invested by subscribing to the units of the Target Scheme at applicable NAV, subject to payment of **Entry/Exit Load** as under:

Entry Load:

Direct Applications & Applications routed through any distributor/agent/broker : Not applicable.

Exit Load: Nil.

The Trustee reserves the right to change the load structure under the DTP facility at any time in future on a prospective basis.

10. Unitholders who wish to enroll for DTP facility are required to fill DTP Enrolment Form available with the ISCs, distributors/agents and also displayed on the website www.hdfcfund.com. The DTP Enrolment Form should be completed in English in Block Letters only. Please tick (✓) in the appropriate box (□), where boxes have been provided. The DTP Enrolment Form complete in all respects should be submitted at any of the Official Points of Acceptance of HDFC Mutual Fund.

11. The request for enrolment for DTP must be submitted at least 10 days prior to the Record Date for the dividend. In case of the condition not being met, the enrolment would be considered valid from the immediately succeeding Record Date of the dividend, provided the difference between the date of receipt of a valid application for enrolment under DTP and the next Record Date for dividend is not less than 10 days.

12. Unitholder(s) are advised to read the Scheme Information Documents of Target Scheme(s) carefully before investing. The Scheme Information Documents / Key Information Memorandum(s) of the respective Scheme(s) are available with the ISCs of HDFC Mutual Fund, brokers / distributors and also displayed on the HDFC Mutual Fund website i.e. - www.hdfcfund.com.

13. Unit holders will have the right to discontinue the DTP facility at any time by sending a written request to the ISC. Notice of such discontinuance should be received at least 10 days prior to the Dividend Record Date. On receipt of such request, the DTP facility will be terminated. At the time of discontinuation of DTP facility, the Unit holders should indicate their choice of option i.e. dividend reinvestment or dividend payout. In the event the Unitholder does not indicate his choice of dividend option, the dividend, if any, will be reinvested (compulsory payout if dividend reinvestment option is not available) in the Source Scheme. Once the request for DTP is registered, then it shall remain in force unless it is terminated as aforesaid.

14. Permanent Account Number (PAN)

SEBI has made it mandatory for all applicants (in the case of application in joint names, each of the applicants) to mention his/her permanent account number (PAN) {Except as mentioned below} irrespective of the amount of investment. Where the applicant is a minor, and does not possess his / her own PAN, he / she shall quote the PAN of his/ her father or mother or the guardian, as the case may be. Applications not complying with the above requirement may not be accepted/ processed. PAN card copy is not required separately if KYC acknowledgement letter is made available.

For further details, please refer Section 'Permanent Account Number' under Statement of Additional Information available on our website www.hdfcfund.com.

PAN Exempt Investments

For further details on PAN exempt Investments, refer Instructions of Scheme Application Form or Statement of Additional Information. However, if the amount per transfer is Rs.50,000 or more, in accordance with the extant Income Tax rules, investors will be required to furnish a copy of PAN to the Mutual Fund.

15. Know Your Customer (KYC) Compliance:

Investors should note that it is mandatory for all registrations for Swing STP to quote the KYC Compliance Status of each applicant (guardian in case of minor) in the application and attach proof of KYC Compliance viz. KYC Acknowledgement Letter. For more details, please refer to the Statement of Additional Information ('SAI') available on our website www.hdfcfund.com

16. Investment through Distributors

Agents / distributors are not entitled to sell units of mutual funds unless they are registered with Association of Mutual Funds in India (AMFI). Further, SEBI has made it compulsory for every employee/ relationship manager/ sales person of the distributor of mutual fund products to quote the Employee Unique Identification Number (EUIIN) obtained by him/her from AMFI in the Application Form. EUIIN, particularly in advisory transactions, would assist in addressing any instance of mis-selling even if the employee/relationship manager/sales person later leaves the employment of the distributor. Hence, if your investments are routed through a distributor, please ensure that the EUIIN is correctly filled up in the Application Form.

However, if your distributor has not given you any advice pertaining to the investment, the EUIIN box may be left blank. In this case, you are required to provide a duly signed declaration to this effect, as given in the Form.

These requirements do not apply to Overseas Distributors.

New cadre distributors: SEBI has introduced a new cadre of distributors who can sell only 'simple and performing' diversified equity schemes, index funds and fixed maturity plans. There is a pre-fix of "SD" before the ARN number of such distributors. They also hold an EUIIN which must be quoted in the application form. The list of eligible schemes which may be sold by such distributors is available on www.hdfcfund.com. In case your application through such distributor is not for an eligible scheme, it is liable to be rejected.

Direct Investments

Investors applying under Direct Plan must mention "Direct" in ARN column. In case Distributor code is mentioned in the application form, but "Direct Plan" is indicated against the Scheme name, the Distributor code will be ignored and the application will be processed under Direct Plan.

17. The Trustee reserves the right to change/modify the terms and conditions of the DTP. For the updated terms and conditions of DTP, contact the nearest ISC or visit our website www.hdfcfund.com
