Can Your Request Be Expedited?

To have your case processed ahead of other requests received previously, you must show a compelling need for your request to be expedited.

How Do You Show a Compelling Need?

A requester who seeks expedited processing must explain in detail the basis of the need and submit a separate statement that the facts stated are certified to be true and correct to the best of his or her knowledge and belief. The requester must establish that one of the following situations exists in order to receive expedited treatment of his or her FOIA/PA request:

1. Circumstances in which the lack of expedited processing could reasonably be expected to pose an imminent threat to the life or physical safety of an individual; or
2. An urgency to inform the public about an actual or alleged Federal Government activity, if made by a person primarily engaged in disseminating information.

Fees

No fees are required until you are notified by USCIS during the processing of your request.

Except for commercial requesters, the first 100 pages of reproduction and two hours of search time will be provided without charge. Thereafter, for requests processed under the Privacy Act, there may be a fee of 10 cents per page for photocopy duplication.

Other costs for searches and duplication will be charged at the actual direct cost.

Fees will only be charged if the aggregate amount of fees for searches, copy, and/or review is more than \$14. If the total anticipated fees amount to more than \$250, or the same requester has failed to pay fees in the past, an advance deposit may be requested.

NOTE: If fees for a prior request are outstanding, we will not honor future requests until all fees are paid.

Fee waivers or reductions may be sought for a request that clearly will benefit the public and is not primarily in the personal or commercial interest of the requester. Such requests must include a justification.

When Must You Submit the Fees?

Do not send money with this request. When USCIS instructs you to do so, submit the fees in the exact amount.

Payment may be in the form of a check or U.S. postal money order. If the form is submitted from outside the United States, remittance may be made on a bank international money order or foreign draft drawn on a financial institution based in the United States, made payable in U.S. currency to the "United States Treasury."

A requester residing in the U.S. Virgin Islands must make the remittance payable to the "Commissioner of Finance of the Virgin Islands" and, if residing in Guam, to the "Treasurer, Guam." **Do not send cash at any time.**

A charge of \$30 will be imposed if a check in payment of a fee is not honored by the bank on which it is drawn. Each remittance will be accepted subject to collection.
