The Lansing Area Patchers Quilt Guild is turning 30!

Join us as a sponsor for this major milestone in our history!

The Lansing Area Patchers (LAP), located in Lansing, Michigan, is made up of local quilters that love producing wonderful and challenging quilts.

The Lansing Area Patchers Quilt Guild was founded in 1983. The objectives of the Guild are:

- to provide a forum for quilters to meet and exchange ideas
- to form a vehicle for bringing qualified experts in the field to educate members through seminars and workshops
- to contribute charitable and/or educational services to the community

Currently, we have an active membership roster of 70 members.

We need your help in celebrating our achievements over the past 30 years!

Our goal is to raise enough funding to purchase commemorative T-shirts for all of our current and founding members. Sponsors will also receive a T-Shirt.

As a sponsor (*only $75.00*), your name will appear on the back of the LAP 30th Anniversary T-shirts. We will ensure that our members know about your commitment to our guild and our purpose. We will also feature your donation on our website leading up to our Anniversary Celebration on June 6, 2013, where the T-shirts will be distributed.

_____ I wish to become a T-Shirt Sponsor for the LAP 30th Anniversary Celebration. I understand that for a donation of **$75.00** my name will appear on the back of the T-Shirts.

Name to appear on the shirt: _____
